Abomination Tragedy Strikes

Abomination formed in 1987 in Chicago. "Tragedy Strikes," the band's second album was released in 1991. The music evolved into an even more aggressive combination of thrash, death and hardcore. Some reviewers even considered this LP as "too heavy for the average Metallica fan, too serious for the average Anthrax fan, and too intellectual for the average Megadeth fan". This remastered reissue comes in a numbered digipack edition of 2000.
