

WHERE THE STREETS HAVE NO NAME

An emotional journey of Dr. Harald Falge who has been working tirelessly over the last 20 years, trying to help alleviate the problem of homelessness in Cairns. A hair raising experience as we get into the lives of these street kids, hear their stories and unfold the bitter reality that lies beneath this beautiful paradise island. It is a dark, intimate and unforgettable journey revealing the truth backed with real life incidents, diverse experiences and first hand interaction with key people who helped make this mission impossible successful. Where the streets have no name today tells a different story!

“It tells ... the story of the children in a way that is sensitive and really moving. It brought a tear to my eye more than once.” - Rob Pyne (Councilor Cairns Region)
