

Johnny Winter - Live From Japan

Johnny Winter makes his long-awaited debut in Japan!

Description

Johnny Winter has done and seen just about everything. One thing he had yet to do was play in Japan. This is one of the few places that his touring hadn't taken him, until now. This show was recorded on April 15, 2011, the third night of three sold out shows, at the famed Zepp Tokyo Music Hall in the heart of the world's largest city. The songs Johnny played during his stellar set are soaked with more blues riffs in this one night than most guitar players can match in their career. If you listen closely you can hear the likes of Robert Johnson, BB King, T-Bone Walker, Chuck Berry, Elmore James, Muddy Waters, Jimi Hendrix and even The Beatles.
