

Bath Salt Zombies

Includes free download card of killer punk rock soundtrack featuring: The Dwarves, The Meatmen, ANTISEEN, The Murder Junkies + more!

The bath salts epidemic facing the southern and mid-western US has been stifled by an unprecedented government crackdown. This has led to a tremendous amount of surplus stock hidden by black market dealers, and a migration of those dealers to the northeast. In New York City, potent strands have surfaced and have attracted the most devoted bath salt junkies. A young aspiring chemist has developed an even stronger batch... but something has gone horribly wrong. The new ultra potent bath salt batch has revealed a major side effect: It turns users into violent flesh seeking ZOMBIES!
