

A Christmas Carol

Scrooge gets a ghostly Christmas visit he never wished for in this dark version of the classic Dickens tale.

This is the darkest, most ghostly version of this story ever made. It stays true to the original feel of the Dickens story, while turning up the creepiness. A range of well known Irish and English actors makes up the cast. On the anniversary of his business partner's death, Ebenezer Scrooge finds unwelcome company in the form of three spirits from Christmases Past, Present and Yet to Come.
