## THE COMPLETE TRUTH ABOUT DE-EVOLUTION

### FEATURED SONGS:

- |                                       |                                              |
|---------------------------------------|----------------------------------------------|
| // Devo Corporate Anthem              | // Through Being Cool                        |
| // Secret Agent Man                   | // Love Without Anger                        |
| // Jocko Homo                         | // Beautiful World                           |
| // (I Can't Get No) Satisfaction      | // Time Out For Fun                          |
| // Come Back Jonee                    | // Peek-A-Boo                                |
| // The Day My Baby Gave Me a Surprise | // That's Good                               |
| // Worried Man                        | // Theme From Dr Detroit                     |
| // Whip It                            | // Disco Dancer                              |
| // Girl U Want                        | // Post-Post Modern Man                      |
| // Freedom Of Choice                  | // Post-Post Modern Man (Rock Schenck Remix) |

**20 MUSIC VIDEOS**  
**RARE PERFORMANCE FOOTAGE**  
**+ TONS OF EXTRAS!**

**NOW, THE COMPLETE TRUTH CAN BE TOLD.**

**DEVO**, the seminal new wave audio-visual concept band, made a career out of setting to music video their dada-gone-camp theory of De-Evolution and its riotous rebuke of corporate culture.

**THE COMPLETE TRUTH ABOUT DE-EVOLUTION**, a comprehensive collection of Devo's output, is an essential tour of the pre-to-post-punk scene. Included among their 20 music videos are groundbreaking pre-MTV clips that defined the form with twisted genius intros and outros, rare performance footage, and a sizable assortment of extras.

### INCLUDES:

**LIVE FOOTAGE**  
FROM THROUGHOUT DEVO'S CAREER

- // Early Live Gigs
- // Gates of Steel (*Live 1980 DVD*)
- // Uncontrollable Urge (*Live in the Land of the Rising Sun DVD*)
- // Mongoloid (*Sundance, 1996*)
