MONDO NEW YORK

The bittersweet core of the big apple, a perversely compelling tribute to the antistars of the city, a circa 1980s Berlin cabaret. MONDO NEW YORK is a cult classic celebration of what makes the Naked City a one of a kind metropolis. With **JOEY ARIAS**, **ANN MAGNUSON**, **LYDIA LUNCH**, **JOE COLEMAN**, **PHOEBE LEGERE**, **DEAN JOHNSON** and many more. And remastered—**transferred from the original 35mm film to HD!**

AVAILABLE 3/24/15 PREBOOK DATE: 2/17/15
