# Ween

## At The Cat's Cradle, 1992

*Live Ween from 1992, direct from the band. Also includes a live DVD with rare footage from 1991-92!*

Rare, live Ween from the band's vaults! The CD includes the full show from 1992. This was the early days of live Ween and the band was actually the duo of Dean & Gene with some samples and tapes and a drum machine. For anyone who caught them live around this time, the shows were unreal and unforgettable. This CD/DVD captures the Ween of the early 90s in all of their glory for the rest of us. The DVD features live footage from Halloween 1991 in Holland and more live weirdness from 1992 in Columbus, OH.
