Live Profanity (Visiting The Graves Of Heretics)

Here is the first live DVD from one of the most important bands on the Polish black/death metal scene! This superb performance filmed during the Metalmania 2007 festival, features a setlist comprised mostly of songs from their latest album *Transkarpatia*. In addition, the band surprised their fans by their performance of the song *Diabelski Dom* by the cult Polish metal band KAT, featuring guest appearance of KAT's leader, Roman Kostrzewski. This DVD includes an interview with Flauros and Nera, footage from Darzamat's performance at Winternachtstraum Festival in 2007, three bonus video clips, and many other surprises.
