

ARTROSIS

ConTrust

One of the most successful gothic bands in Poland that started their career with Hall Of Sermon (Lacrimosa's label)

Artrosis formed in 1995 hail from Zielona Góra, Poland. Over the course of their career and six studio albums, their sound has evolved from gothic and progressive metal to a more darkwave/industrial-oriented sound. A sixth studio album, Con Trust, was released in October 2006, although only singer Medeah (Magdalena Stupkiewicz) remains from the original Artrosis line-up; most of the rest of the 2006 band originating from fellow Polish metallers Sacriversum: MacKozer (Krystian Kozerański), Remo (Remigiusz Mielczarek), Migdał (Łukasz Migdalski) and Świcol (Paweł Świca).
