

## **Anthrax** Oidivnikufesin N.F.V.

Blistering performance at the Hammersmith Odeon during their UK tour of 1987.

This DVD contains a full show from rock legends Anthrax, recorded at the Hammersmith Odeon during their UK tour of 1987. This footage is from a 1988 VHS release - never released before on DVD. As one of the most popular bands of the 1980's thrash metal scene, Anthrax are notable for combining metal with rap and hardcore music early on. They have sold over 10 million albums worldwide and are classified as one of the 'big four' of thrash metal alongside Metallica, Megadeth and Slayer. Both the band and individual members have made many, many TV appearances across famous US shows and in the UK they became well known partly for this legendary concert.
