THE VIDEOSINGLES

Deep Purple

Video Singles

A collection of rare videos from one of the most celebrated and collectible rock bands of all time.

After an 11 year hiatus, superstar hard rock group Deep Purple re-emerged in 1985 with PERFECT STRANGERS, the album which went on to sell 2 million copies worldwide. Equally newsworthy for this TV-shy band was the release of their first videos, all three of which are presented in "The Video Singles". Here too, are two acclaimed videos from their album THE HOUSE OF BLUE LIGHT, "Bad Attitude" and "The Call Of The Wild" reveal a deeper level of Purple. This band's sense of humor is as devastating as their music.
