# Squeeze Greatest Hits

*A comprehensive video collection with many pop masterpieces and totally memorable gems.*

It would be hard to find a video collection with as many pop masterpieces and totally memorable gems. This DVD contains classic videos for 15 of Squeeze's 23 UK hit singles. Squeeze absolutely dominated the English radio and indeed pop scene for much of the Eighties - and were rarely not present in the UK Top 10. The talent of Chris Difford and Glenn Tilbrook as a writing partnership started in the seventies in groups playing under several different names such as Captain Trundlow's Sky Company or Skyco before settling on a parody and facetious tribute to The Velvet Underground oft-derided album. They went on to scorch a blistering career, put Deptford Fun City on the map and the videos contained herein are for the first time on DVD.
