Merle Haggard In Concert

This DVD was recorded live at The Church Street Station, Orlando, Florida in 1983. As the single most influential singer-songwriter in country music history, and in addition to being a remarkable musician, band leader and historian, **Merle Haggard may be the most well rounded country talent to ever take the stage.** Throughout his career, he has been the pulse of an ever-lonesome fugitive, the voice of the Okie with an attitude, and the uncommon poet of the working man. Few country devotees, be they old-timers or neophytes, are unfamiliar with the craggy Haggard mask of a thousand photographs. **His accomplishments rightly classify him as a living legend. This DVD displays his true brilliance.**
