# George Jones Live In Concert

This riveting performance was recorded live at the Church Street Station in Orlando, FL in 1984 and features George Jones with special guests Johnny Rodriguez and Mark Gray. In terms of sheer dramatic power, **George Jones is arguably the greatest singer in the history of country music.** He recorded one of the greatest country records of all time, ***He Stopped Loving Her Today***, which won him **single and male vocalist of the year honors from the CMA in 1980 and 1981 and a Grammy.** Despite his identification with somber songs, Jones has also shown a fondness for lighthearted and novelty tunes such as ***White Lightning.***
