

GLEN CAMPBELL

THE BEST OF THE GLEN CAMPBELL MUSIC SHOW

This DVD represents the best performances from a string of concerts filmed by Ember in the early 70's - the peak of Campbell's career. The first was a recording of a show at The Talk Of The Town in '72, then through '75 Campbell six TV shows broadcast by the BBC. Backed by his then regular band and the **BBC Concert Orchestra**, Campbell performed live **his greatest hits plus other favorite songs of his choosing**.

The performances are brilliant, the backing very tight, the sound recording excellent, and all filmed in gloriously gaudy 1970's color schemes. This includes his best known hits and interesting covers.
