AN EVENING WITH  
**ANDY WILLIAMS**  
LIVE FROM THE ROYAL ALBERT

**This performance from the Royal Albert Hall in 1978 captures Williams in majestic form backed by the London Symphony Orchestra, and augmented by a tight electric band and backup singers.** Here, one of the greatest vocalists of all time performs his signature lush ballads and pop hits, as well as musicals and hymns. He displays a terrific pace and energy whilst retaining the sensitivity of the songs. Originally, this show was cut into two parts for Television broadcast. **For this DVD release, those parts have been combined and edited with a contemporary interview with Williams.**
