

JOY DIVISION

UNDER REVIEW

JOY DIVISION

UNDER REVIEW

This 70-minute documentary covers the entire career of Joy Division, one of Manchester and Post-Punk's most respected bands. It charts the entire short lifespan of the group, from their origins in their days as Warsaw to the more well known incarnation of Joy Division. Features include rare musical performances, obscure footage of rare interviews and rarely seen photographs. Plus review, comment, criticism and insight from; Mick Middles, co-author of *Torn Apart: The Life Of Ian Curtis*; former NME and Melody Maker journalist, Barney Hoskyns; Ex-Mojo Magazine editor, Pat Gilbert; Manchester punk musician and author, John Robb; music journalist and author David Stubbs; and more.

“I’m loving this Under Review series.
They are very, very cool...”

— Bob Blackburn, *WESTWOOD ONE*
