## Full Fathom Five: Audio Field Recordings 2007-2008

*Rare live recordings from Clutch's 2007/2008 world tour.*

Defying the rock music "sub-genre", CLUTCH return with a dynamic new Live CD! Compiled from four locations on the band's 2007/2008 sold out headlining world tour (Boulder, Sayerville, Pittsburgh & Melbourne) these groove-laden live releases prove what the diehard fan base already knows; that CLUTCH have risen to the top of America's live music pyramid! There's plenty of classic CLUTCH riffage here including "Escape From the Prison Planet," "Texan Book of the Dead," "Elephant Riders," & "Animal Farm."

### TRACK LISTING
