

Colin Dunne Celtic Feet

Enjoy the excitement and spirit of traditional Irish dancing just by watching this DVD! Colin Dunne, the nine time World Dance Champion, fills the screen with his warmth and charm, explaining clearly and precisely how to dance, just like him. He has taught extensively worldwide, working with many luminaries including the Chieftains, Sinead OConnor and Stephane Grappelli. No wonder that the Irish Post rightly calls him the Greatest Male Irish Dancer of all time. Together with Celtic Feet Dance Company, Colin performs superb routines to the traditional and magic music of the Emerald Isles. In no time at all, you'll be well on your way to having Celtic Feet.
