TETSUO: THE BULLET MAN [BLU-RAY]

STRANGER THINGS IS HAPPENING!

MVD is no stranger to BIG releases, and July kicks that into another dimension with the multi-format release of the five-season **STRANGER THINGS: THE COMPLETE SERIES** box sets! Across 25 discs and 42 episodes, relive the supernatural power of the groundbreaking series. The deluxe version goes to 'Eleven' and features a 148-page book, five hours of bonus footage, reversible Hawkins map, art cards, and a wealth more. Available on bluray and 4K standard and deluxe editions, there is nothing 'normal' about any of these exquisite packages. Now, Leggo my Eggo!

Far in the future, in the year 2022 (!), corrupt corporations (imagine that!) are intent on controlling the plebian population with a steady diet of **SOYLENT GREEN**. The elite dine on natural food and clean water, while the great unwashed are forced to feed on processed wafers called Soylent Green. 'Eat Me' finds a new definition! Coming on limited edition bluray and 4K.

Michael Douglas and Robert Duvall star in **FALLING DOWN**, available on bluray and 4K. A 1993 Drama with the protagonist reaching his irritation point, leaving his car behind in a traffic jam. moving forward to a road of violence. Man, that traffic. It can really get to you. **RADIANCE FILMS** are burning down the art house with great titles across several languages, this month adding eight (!) new releases to their ever-increasing canon. Action, Drama, Mystery, Film Noir, Radiance shines bright. **RED SUN**, a Western starring Charles Bronson, finds a hellcat, two desperados and a Samurai taking a break from beating each other up to unify and track down a stolen sword. Join the hunt on limited edition bluray and 4K.

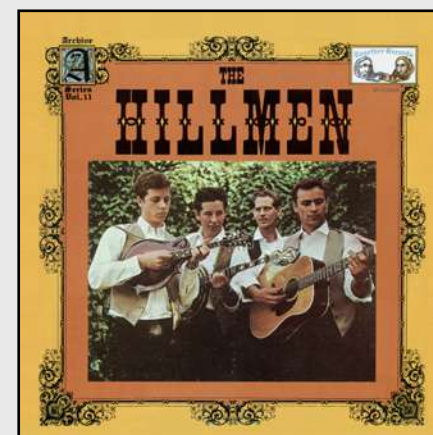

Crazy as the moon are NYC's 1980s underground female grunge legends **THE LUNACHICKS**, whose far out journey is documented on the **PRETTY UGLY** DVD and bluray. Live performance and fresh interviews, including testimonials from Debbie Harry, L7 and Lucious Jackson. Pop punk Japanese girl group **SHONEN KNIFE** reinvent their 1992 breakthrough album **LET'S KNIFE** with the LP **LET'S KNIFE RE-CUT**. The tunes hit harder after decades of roadwork and cut through you like a....sharp object. Bluegrass super-group **THE HILLMEN**, featuring ex-Byrd Chris Hillman, reissue their seminal 1970 release on LP and CD, with an additional 6 tracks. There is never **TOO MUCH OF A GOOD THING** when it comes to blues-rock powerhouse **SAVOY BROWN**, and the TOO MUCH CD compiles 15 years of favorites from Kim Simmonds and company.

Amesoeurs - Amesoeurs Vinyl (Reissue)

a modern day Classic Album from the cult AMESOEURS project.

A kaleidoscopic vision of the modern era. Amesoeurs are the children of this sad and metallic century, the musical metaphor of the modern urbanized world... By mixing elements of harsh melancholic Black Metal, Post-punk and '80s New Wave influenced by the likes of JOY DIVISION, early CURE, and DEPECHE MODE, Amesoeurs is a bleak, violent, melancholic, suffocating and desolate vision.

Ana Carla Maza - Alamar Vinyl

A vibrant journey through Latin-American jazz, where Ana Carla Maza blends virtuosic cello, soulful vocals, and the sunny rhythms of Cuba and Brazil.

With "Alamar," Ana Carla Maza creates a luminous bridge between her Cuban roots and contemporary jazz. Moving beyond the classical cello, she uses her instrument as a percussive heart, blending Habanera, Samba, and Bossa Nova with a modern pop sensibility. A festive and intimate celebration of Latin culture, driven by her "formidable strength" and a voice full of tropical warmth.

Bart And The Brats - Brats Being Brats 7" Vinyl

Bart and the Brats new single on Big Neck Records, 4 tracks of swampland punk rock from France!

Last session at Toulouse's Swampland, Punk Rock mad scientist Bart came back with four new tracks, still playing all instruments himself and still improving his formula for the perfect three-chord rocker. He's certainly achieved his goal with this new 7" record starting off with a mid-tempo boiler and not letting off steam before the last song's last chord.

Hope Levy - Hope Levy Sings Connie Converse! Vinyl

This is a cover album of Connie Converse songs originally written in the early 1950s from her "1954 Kitchen Demo" sessions!

Before Bob Dylan and Joni Mitchell hit the folk scene in the 1960s, Connie Converse performed self-written songs for friends in the early 1950s. She disappeared in August of 1974 never to be seen or heard from again. Singer-songwriter Hope Levy is determined to keep her music and story alive. Connie was trailblazer in the folk singer-songwriter genre.

Hunter As A Horse - Paradise Lost Vinyl

Seamlessly genre-hopping between alternative, indie, electronic and dream-pop, with diversions into alternative dance and even nu-goth

Seamlessly genre-hopping between alternative, indie, electronic and dream-pop, with diversions into alternative dance and even nu-goth, the songs of HAAH have been described as mysterious, apocalyptic soundtracks for the strange happenings of our time, with the UK newspaper The Guardian commenting: "Brings to mind the mesmerising atmospherics of Lamb and Zero 7. Dark and very lovely indeed."

Mike DiRubbo - Way Out Northwest (Black Vinyl Edition) Vinyl

Mike DiRubbo is one of the world's foremost alto saxophonists. 'Way Out Northwest' was recorded in Vancouver with a powerhouse local rhythm section

Mike DiRubbo is one of the world's foremost alto saxophonists. His new album 'Way Out Northwest' was recorded in Vancouver with a powerhouse local rhythm section of Tilden Webb on Piano, Jodi Proznick on Bass & Jesse Cahill on Drums. What emerges from this recording is more than a collection of compositions--it's a document of connection: between musicians, past & present, intention & spontaneity.

Naïssam Jalal - Landscapes Of Eternity Vinyl

Naïssam Jalal explores the sacred bond between music and nature through a contemplative journey into the heart of the Hindustani tradition.

In "Landscapes of Eternity", Naïssam Jalal delivers an impressionist album born from months of immersion in North India. Blending bansuri flute and vocals, this intimate repertoire draws on the Hindustani tradition to invite an inner voyage. A celebration of the eternal present, it is a song of gratitude where music becomes a breath of healing and resilience.

Onesie - Way Thousand Bump To The Sky Vinyl

Brand new full-length album from New York indie-alt outfit Onesie

Following a trilogy of albums that straddled the line between jangly, confectionery Brit invasion psyche pop and maximalist 90s guitar laceration, Onesie's walloping Way Thousand Bump To The Sky blasts its dense, blissed out, pissed off, technicolor manifesto onto an IMAX screen. It's as if slacker rock itself had 35 minutes to get its affairs in order before the electric chair.

Positronix - Miss Universe Vinyl

punk/hardcore band from Philadelphia, PA

Blending medieval themes with post-punk energy. Featuring five fast-paced tracks filled with angular guitar hooks and eerie synths, the collection leans into pop harmonies reminiscent of Kim Deal in "Ascension Day." Drawing lyrical inspiration from the scandal-plagued beauty pageant, these songs reflect on the working class and beauty, embodying both triumph and disquiet.

Ranking Dread - Kunta Kinte Roots Vinyl

1979 reggae album reissued on vinyl

Raw, defiant, and steeped in heavy roots reality, Kunta Kinte Roots captures Ranking Dread at the height of his powers -- riding the rhythm with fire and authority over deep Channel One-style dub backdrops. These recordings embody the militant sound of late '70s Jamaica: hypnotic basslines, echo-drenched horns, and Dread's commanding voice calling for strength, pride, and liberation.

THE ANTHONY PAULE SOUL ORCHESTRA
FEATURING WILLY JORDAN

WHAT CAN WE DO?

The 12-piece Anthony Paule Soul Orchestra featuring Willy Jordan returns with their powerful songwriting synergy and unmistakable retro-soul sound.

Based out of San Francisco, CA, The Anthony Paule Soul Orchestra was founded in 2007 by guitarist/songwriter Anthony Paule after a fateful phone call from his friend, Noel Hayes. The call was simply to request a backing band for Philadelphia soul and blues singer, Frank Bey, who was coming to San Francisco to perform at Biscuits and Blues.

Nineteen years, seven albums, dozens of trips to Europe, nineteen Blues Music Award nominations, and many festival shows later, The Anthony Paule Soul Orchestra is a widely recognized and respected musical powerhouse.

Inspired by authentic Soul and Blues recordings of the '60s and '70s, this dramatic horn driven extravagant act took shape. Known for having great, authentic singers, the incomparable vocalist Willy Jordan is the newest orchestra vocalist. Having worked with Elvin Bishop's Big Fun Trio (which garnered him two Grammy Award nominations) and John Lee Hooker among others, Jordan holds court from a throne previously occupied by Wee Willie Walker, Frank Bey, and Terrie Odabi. His commanding vocals and unpretentious stage presence give audiences an honest, fresh, heartfelt experience.

anthonypaule.com @anthonypaulesoulorchestra

The Anthony Paule Soul Orchestra remains at the top of their game. Willy Jordan sings from the heart, and you'll rejoice when you hear him do it!

PRESS

"The music is consistently top-flight soul and blues with a strong dose of Memphis. The Soul Orchestra is tight and pushes a strong groove behind soul-drenched singing."
- *Elmore Magazine*

"Anthony Paule provides his usual spot-on, savvy and impeccable guitar playing and bandleading, as his talent-rich Soul Orchestra combines with thoughtful, substantial songwriting... to craft as sympathetic a frame as a vocalist could dream about."
- *Richard Shurman, Producer*

Ana Carla Maza - Alamar CD

A vibrant journey through Latin-American jazz, where Ana Carla Maza blends virtuosic cello, soulful vocals, and the sunny rhythms of Cuba and Brazil.

With "Alamar," Ana Carla Maza creates a luminous bridge between her Cuban roots and contemporary jazz. Moving beyond the classical cello, she uses her instrument as a percussive heart, blending Habanera, Samba, and Bossa Nova with a modern pop sensibility. A festive and intimate celebration of Latin culture, driven by her "formidable strength" and a voice full of tropical warmth.

Hans Lüdemann & Transeuropeexpress Ensemble & Burcu Karadağ - On The Edges 4 CD

On the Edges 4 blends the spiritual, microtonal essence of the ney with contemporary jazz.

The On the Edges series explores European jazz through cultural fusion. Its fourth episode, Oriental Express, features ney master Burcu Karadağ. Inspired by Hans Lüdemann's Turkish residencies, the album blends the spiritual, microtonal essence of the ney with contemporary jazz. Rather than copying tradition, the compositions translate personal impressions into a vibrant musical dialogue.

Kant Kino - Echoes Of The End CD

With "Echoes Of The End", the Norwegian duo KANT KINO deliver a brutal double-album statement of a world quietly rotting beneath the surface.

A brutal, cinematic double-album of modern EBM / dark elektro industrial, driven by punishing beats and razor-sharp synths, confronting a society in quiet collapse. Drawing lineage from Front Line Assembly, Skinny Puppy, VNV Nation, Kraftwerk and Front 242, the sound is sharper, colder and more confrontational than ever.

Roma Amor - Back To Dark CD

New album by Italian neofolk / chanson / folk cabaret group Roma Amor adding new elements of goth rock and doom

Roma Amor is a neofolk / dark cabaret band from Italy. Their music is located somewhere between the melodic folk-inflected charm of the 1960s Italian songwriters and the cabaret swoon of French chansonniers, Roma Amor's music can be described as chanson noir or folk cabaret. This is the band's brand new long player. It is a dark slow rock album - with hints of goth and doom.

Savoy Brown - Too Much Of A Good Thing: Savoy Brown Collection 1992-2007 CD

Too Much Of A Good Thing - The SAVOY BROWN Collection 1992-2007 is a compilation of favorites from those 15 years of Savoy Brown recordings.

Not so much a "Best Of" CD, but a compilation of favorites from those 15 years of recordings. There's the usual multiple line-up changes in the personnel, all led by founding guitarist, Kim Simmonds. This collection is a testament to the great musicians that have helped keep the legacy of Savoy Brown alive for over 60 years. Plenty of great blues/rock and never too much of a good thing.

A Woman Kills Blu-ray Disc

Louis develops a relationship with the officer investigating a series of prostitute murders and soon learns Louis may not be who he says he is.

Executioner Louis Guilbot develops a relationship with the officer investigating a series of prostitute murders and soon learns Louis may not be who he is. A new wave-influenced serial killer film that presents its narrative in an almost true crime approach yet focuses more on the psychological aspect and bears influences of Polanski, set to a discordant, jazzy score.

PORTRAITS OF THE APOCALYPSE

“a raw, unflinching vision of the end times, one where the monsters aren’t always the ones already dead.”

—Jon Donniss, Masters Of Horror

Cleopatra Venom announces
Portraits Of The Apocalypse
Seven million zombies.

One city in ruins.

Only Four survivors.

“28 DAYS LATER” meets “REC”!

Written and directed by Nicanor Loreti, Fabián Forte, and Luca Castello, three leading voices of Latin American genre cinema (When Evil Lurks, Diablo, Punto Rojo, Kryptonita), Portraits Of The Apocalypse re-imagines the zombie outbreak through a distinctly South American lens. This feature also brings together the two lead actors from When Evil Lurks - the Shudder and Netflix hit that became the most acclaimed Latin American horror film of recent years and winner of Sitges 2023. This marks the first time Demián Salomón and Ezequiel Rodríguez reunite on screen, delivering another gripping and visceral performance within a world collapsing under the weight of the undead.

This award-winning film has over two dozen international film festival selections to date! State-of-the-art special effects and incredible performances by the international cast make this a must-see for Zombie fans and Horror fans alike!

Arriving on Blu-ray July 14!

The visually stunning directorial debut from Zhang Yimou (Hero, House of Flying Daggers), Red Sorghum is presented in a new HD remastered version for the first time in North America.

RED 高粱 SORGHUM

Shandong, China, late 1930s. A girl named Jiu'er is sent by her parents to marry an old man who owns a failing sorghum wine distillery. When the man dies under mysterious circumstances, Jiu'er must take over the business... and her tenacity quickly gains the love and support of the rough but kind distillery workers.

A foundational work of contemporary Chinese cinema, Red Sorghum launched its first-time director Zhang Yimou and star Gong Li (Farewell My Concubine, Memoirs of a Geisha) onto the world's stage.

The first Chinese Golden Bear winner
at the Berlin Film Festival (1988).

JOHN RHYS-DAVIES DIEGO BONETA ALEXANDRA DOWLING BECKY ANN BAKER TED AND LEVINE

Starbright is a modern fable starring John Rhys-Davies, making its global home media debut on July 14 in this Special Edition Blu-ray and Soundtrack CD release!

Also starring Alexandra Dowling (The Musketeers) and Diego Boneta (Terminator: Dark Fate), Starbright combines elements of action/adventure and fantasy to create a heartfelt tale about a young woman who discovers a fallen star and an angelic man who emerges from its glow. He entrusts her with the living star, which has magical powers that draw the attention of ruthless hunters who wish to exploit its powers. While escaping the criminals who pursue them, they’re rescued by a young man, and together, the three embark on a perilous journey through a world where magic and life collide, discovering that the light’s true power lies in awakening hope in humanity. From the darkness comes the light, and all things are possible... if you believe.

Mastered from the original 4K Dolby Vision/Dolby Atmos Master, this 2-disc set comes packed with bonus materials and the film’s soundtrack by award-winning composer Luděk Drizhal.

“Starbright is “a gentle fantasy about hope, humanity, and the light we protect.”

Stranger Things: The Complete Series [Deluxe Edition]

In 1980s Indiana a group of friends witness supernatural forces and government exploits. In searching for answers, they unravel a series of mysteries.

A love letter to the '80s classic genre films that captivated a generation, **STRANGER THINGS** is a thrilling drama set in the seemingly normal Midwestern town of Hawkins, Indiana.

After a boy vanishes into thin air, his close-knit group of friends and family search for answers and are pulled into a high-stakes and deadly series of events. Beneath the surface of their ordinary town lurks an extraordinary supernatural mystery, along with top-secret government experiments and a dangerous gateway that connects our world to a powerful yet sinister realm. Friendships will be tested and lives will be altered as what they discover will change Hawkins and possibly the world -- forever.

Netflix is proud to present all five seasons of STRANGER THINGS for the first time on home video. This definitive, dimension-splitting Deluxe collection features brand new artwork, more than five hours of bonus features, a 148-page art-book plus memorabilia from across the STRANGER THINGS universe.

BONUS MATERIALS

PRESS

"Stranger Things is a rare example of a cultural phenomenon that has delivered wistfulness and familiarity without simply giving audiences more of the same"

—Anna Leszkiew *New Statesman*

"This Netflix series extends beyond the bounds of mere tribute. It's more like a portal into the kid-focused, fantasy-fueled, occasionally frightening films of that decade - pictures like E.T., Poltergeist, The Goonies, and Gremlins"

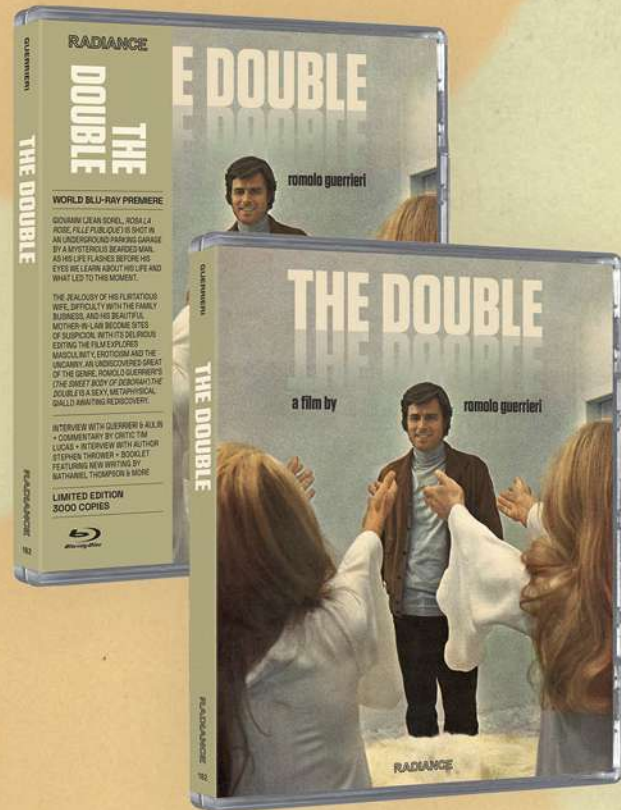

—Jen Cha *New York Magazine/Vulture*

Gordon Ramsay: Shark Bait

In this one-hour special, Gordon investigates the history, culture and controversy surrounding the shark fishing industry.

Gordon Ramsay: Shark Bait is a gripping one-hour documentary special that sees the world-renowned chef step beyond the kitchen to investigate one of the ocean's most urgent and controversial issues. Traveling across regions impacted by shark fishing, Ramsay explores the history, cultural significance, and global demand behind the industry--particularly the harvesting of shark fins for traditional delicacies. Through firsthand encounters and immersive reporting, the film confronts the scale of the practice, with nearly 100 million sharks killed annually, placing immense pressure on marine ecosystems and pushing many species toward extinction.

Blending investigative journalism with Ramsay's direct, no-nonsense style, the documentary examines the complex intersection of tradition, economics, and environmental responsibility. Along the way, Ramsay engages with fishermen, conservationists, and experts, offering a balanced yet urgent perspective on the consequences of overfishing and the future of ocean biodiversity. The result is both an eye-opening exploration and a call to awareness, presented with the immediacy and intensity that have defined Ramsay's career on screen.

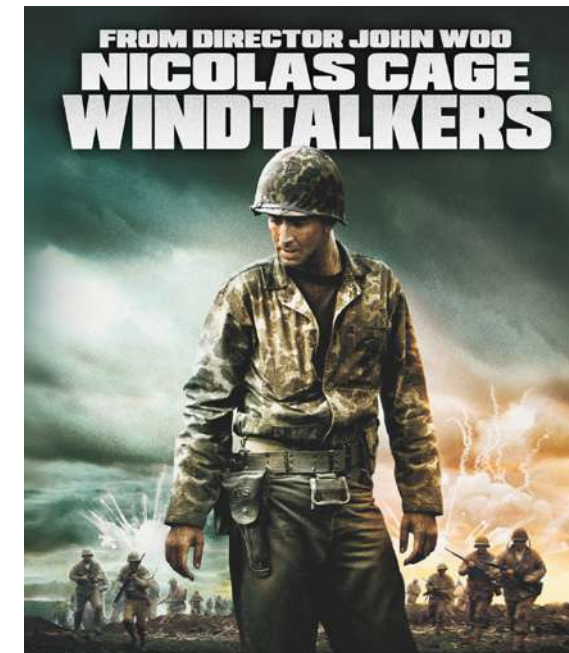

Arriving in time for Shark Week, *Gordon Ramsay: Shark Bait* stands alongside impactful environmental documentaries such as *Blackfish* and *Seaspiracy*, delivering a compelling look at a global issue through the lens of one of television's most recognizable personalities.

Windtalkers (Theatrical Version)

During the Battle of Saipan, a Marine must protect a Navajo Code Talker whose unbreakable language carries vital military secrets from the enemy.

Windtalkers is a World War II action drama directed by John Woo, blending large-scale combat spectacle with the emotional intensity and stylized action that define his most iconic films. Set during the Battle of Saipan, the story follows Sergeant Joe Enders (Academy Award® Winner Nicolas Cage, *Leaving Las Vegas*, *Adaptation.*, *Raising Arizona*, *Moonstruck*), a battle-scarred Marine assigned to protect Navajo Code Talker Ben Yahzee (Adam Beach, *Suicide Squad*, *Flags of Our Fathers*). Yahzee carries an unbreakable code based on the Navajo language--one of the most critical and secure communication tools used by U.S. forces in the Pacific theater. Enders' mission is absolute: protect the code at all costs, even if it means making an unthinkable sacrifice.

Drawing from the real-life legacy of the Navajo Code Talkers, the film channels Woo's signature themes of brotherhood, honor, and moral conflict--hallmarks of his Hong Kong masterpieces like *The Killer*, *Hard Boiled*, and *A Better Tomorrow*, as well as his Hollywood breakthrough *Face/Off* and blockbuster hit *Mission: Impossible II*. The ensemble cast includes Christian Slater, Mark Ruffalo, Peter Stormare, and Noah Emmerich, each contributing to a gripping portrayal of soldiers navigating the brutal realities of war.

Combining historical drama with Woo's unmistakable visual style--balletic action, slow-motion intensity, and deeply human stakes--*Windtalkers* stands as a unique fusion of war film and auteur-driven action cinema. As the *Minneapolis Star Tribune* noted, "The history is fascinating; the action is dazzling," while *Film4* highlighted Woo's enduring focus on "friendship and rivalry in the face of violence." The theatrical version presents the film as originally released, delivering both visceral battlefield spectacle and a powerful story of loyalty and sacrifice.

SALES POINTS

- Smash hit World War II film with over \$40,000,000 domestic box office!
- From director John Woo (*Mission: Impossible II*, *Face/Off*, *Hard Boiled*, *The Killer*)
- All star cast includes Academy Award Winer Nicolas Cage (*The Rock*), Christian Slater (*True Romance*), Adam Beach (*Suicide Squad*), Peter Stormare (*Bad Boys*), Mark Ruffalo (*The Avengers*), Brian Van Holt (*Den of Thieves*) & Noah Emmerich (*The Truman Show*)

God Of Frogs

An ancient creature rises from the jungle every 25 years to feed, its fate forever bound to one doomed human family.

An ancient, elemental creature known as the **God of Frogs** rises from the jungle every 25 years--hungrier and more dangerous than before.

A savage anthology of interconnected horrors told across multiple decades beginning the late 1960s, a young woman is drawn into a frog-worshipping cult and endures a grotesque, body-horror pregnancy. In 1994, student filmmakers documenting Florida's frog population stumble into a swamp-soaked, campy slasher. By 2019, a politician and his son battle rising floodwaters as parasitic frogmen invade body and mind, driving one man toward madness. As sightings spread worldwide and the creature's existence is exposed, humanity's response proves catastrophic. In 2044, the frogman has become a mass-market commodity--until mankind's attempt to exploit the uncontainable triggers devastating consequences.

PRESS

"MVD Rewind have done a killer job compiling their special features for their Lionheart Blu-ray, managing to land new interviews with Van Damme himself. It's wonderful to find someone putting this level of care into any classic Van Damme flick, but especially a lesser-celebrated one such as Lionheart. Kudos to MVD, too, for once again nailing the ex-rental VHS aesthetic in their box art."

The War Game 4K Ultra HD

Peter Peter Watkins' BBC docudrama depicts a nuclear attack on Great Britain. For three decades it was considered "too horrifying" to be broadcast.

In 1965, filmmaker Peter Watkins (PRIVILEGE, PUNISHMENT PARK) crafted a BBC documentary drama that depicted a nuclear attack on Great Britain. The network condemned the finished film as "too horrifying" and refused to broadcast it. Watkins' masterpiece subsequently received a special award at the 1966 Venice Film Festival and won the 1967 Academy Award® for Best Documentary Feature.

VHS Maniacs! Volume 2 DVD

VHS never died, it just hit rewind!

In the 1980s, the VCR ruled living rooms and video stores overflowed with lurid covers, shocking titles, and forbidden thrills. Amid this social boom, a cult movement emerged around the so-called "Video Nasties" - gritty, graphic horror and exploitation films that tested the limits of taste and censorship.
