MVD MARCH METAL MADNESS!

The eyes of March see that it's Metal Month, and we sink the shot with **KINGS OF THRASH-BEST OF THE WEST: LIVE AT THE WHISKY A GO GO!** Ex members of Megadeth got together and blew the roof off the Whisky in LA, performing classics that were birthed in metal's 80s Golden Age. This 2 CD/DVD hits the court running with live versions of Mega-hits in a sweaty club. MVD has a full array of essential metal titles to celebrate March Metal Month, so take a deep dive into our pit of Doom!

Metal and punk Godfather **IGGY POP** is back with a new album, but MVD is celebrating the Iggy and the Stooges era with a reissue of **RAW POWER LIVE: IN THE HANDS OF THE FANS**. Iggy and original members charge through the entire 'Raw Power' album. Two vinyl variants-one red and black swirl and one INDIE EXCLUSIVE on powder blue vinyl. Also on the Indie Exclusive front is a variant on the **SUPERBAD** soundtrack to the 2007 comedy, this slab being clear with red and black swirl. Features music from Rick James, the Bar Kays and Curtis Mayfield.

Taking an alt-Country route are **THE LONG RYDERS**, who saddle up with their first new CD/LP in four years **SEPTEMBER/NOVEMBER**. Ground-breaking Americana. Two-time Grammy nominee and modern-day blues troubadour **ERIC BIBB** is **RIDIN'** with a new CD and LP. Features special appearance from old-school blues master **Taj Mahal!** And the rap on March finds a new double LP from hip-hop stalwarts **ARRESTED DEVELOPMENT**.

An arresting movie month is led by the martial arts hi-jinks in **POLICE STORY 3: SUPERCOP**. Jackie Chan and Golden Globes winner **Michelle Yeoh** star in a fight-filled infiltration into a drug cartel, brought to life in 4K! Jackie Chan also fights for love in **GORGEOUS**, another **88 FILMS** martial arts masterpiece.

Trying to thwart a bomb-laced blimp from exploding over the Orange Bowl is the subject of **ARROW VIDEO'S BLACK SUNDAY**, starring **Robert Shaw** and **Bruce Dern**. The long bomb could be the wrong bomb in this football game! We'll leave with **PARTY GIRL**, a comedy that tracks Mary's life from late nights to librarian!

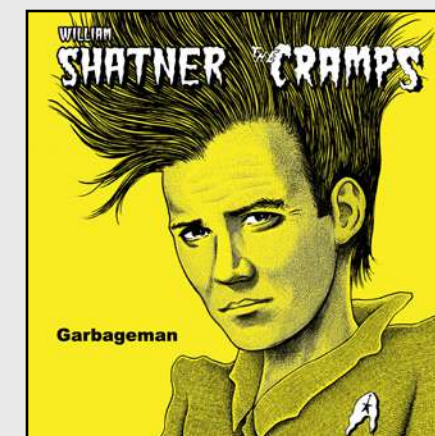

Read more of March inside. Horns Up!

ACID KING

BEYOND VISION

DEVOTEES OF STONER ROCK AND DOOM METAL KNOW THE NAME ACID KING, ONE OF THE MOVEMENT'S FOUNDING BANDS AND CREATORS OF SOME OF THE MOST MONOLITHIC RIFFS AND HEAVIEST TONES EVER KNOWN.
ACID KING IS STONER DOOM ROYALTY, WITH LANDMARK ALBUMS LIKE ZOROASTER AND BUSSE WOODS GOING BACK TO THE PRIMAL EARLY DAYS OF THE SCENE, AND NOW THEY'VE RETURNED IN WIDESCREEN TECHNICOLOR AND INTERSTELLAR CINEMASCOPE.

BEYOND VISION IS THE FIRST NEW ACID KING ALBUM SINCE 2015'S MIDDLE OF NOWHERE, CENTER OF EVERYWHERE, AND MARKS A NEW ERA FOR THE BAND THAT BUILT THE TEMPLATE FOR THUNDERING, SWINGING DOOM.
RECORDED BY LONGTIME PRODUCER BILLY ANDERSON (THE MELVINS, SLEEP), THE SONGS FLOW TOGETHER WITHOUT BEGINNING OR END, PROPELLED BY AN UNDULATING, LYSERGIC PULSE THAT TAKES LISTENERS WHEREVER THEY'D LIKE TO GO. WITH THEMES THAT CONTEMPLATE INTERPLANETARY MIGRATION,

THE WINDING PATH OF EXISTENCE, AND HOW THIS TRIP WE'RE ON TAKES DIRECTIONS WE NEVER COULD HAVE IMAGINED, ONE MIGHT EVEN CALL IT A CONCEPT RECORD.
MAKE NO MISTAKE, THOUGH: BEYOND VISION IS UNDENIABLY ACID KING, FULL OF BLISTERING GUITARS AND SWIRLING POWER DIRGES APLENTY.
FANS OF MODERN HEAVIES LIKE MONOLORD, ELECTRIC WIZARD, YOB AND WINDHAND CANNOT HELP BUT HAIL AT THE FEET OF THE ORIGINATORS.

LIVE MEETING OF THE CHICAGO BLUES MASTERS
LOUISIANA RED and CAREY BELL with Lurrie Bell,
Steve Bell, Tyson Bell, James Bell and Lucky Lopez
Evans at the 1990 Burnley Mechanics Blues Festival.

Thirty two years later it's a set of superb real blues professionally recorded and now given a top class remastering to make the sound even more powerful.

LOUISIANA RED was the youngest of the 'first generation' of post war electric bluesmen. At a very

young age he was playing with the likes of Elmore James and Muddy Waters. Familiarity with Red's years living in Europe, playing and toured regularly, should not blind us to his talent. Here he plays and sings in that rocking Electric Delta/Chicago style. CAREY BELL was simply a blues harmonica maestro. Beautiful tone and great ideas. He had a real knack of getting an audience to adore him without adding spurious showmanship or playing to the gallery.

Viera Janárčeková: Dotyk CD

Viera Janárčeková surely must be counted as one of the most distinguished female voices in today's European composition landscape.

"Janárčeková's intellectually unpretentious expressionist music never runs the risk of becoming cliché-infected: her will to express herself and her awareness of fragmentariness combine in a subtle sensuality of sound. At every moment the music seems to be 'appropriate': far removed from triviality, and away from fashionable contemplative platitudes." (Dirk Wieschollek)

Italian director Umberto Lenzi had recently completed a landmark string of kinky gialli with Hollywood outcast Carroll Baker. Cuban-born/Actor's Studio-trained Tomas Milian had become one of Spaghetti Westerns' most popular stars. But when these two notoriously mercurial talents came together for a series of shocking Poliziotteschi – reactionary crime films that reflected the political and sociocultural violence of 1970s Italy – they grabbed audiences by the throat, gunned down the conventions of the genre and changed the emotional velocity of action cinema forever. This collection presents Lenzi & Milian's five greatest collaborations, now restored uncut and uncensored from the original negatives for the first time ever.

PARTY GIRL

DVD

Blu-ray

What's a fast-talking, under-employed New York free spirit to do when she's jailed for throwing an illegal house party? Mary (Parker Posey, *Dazed and Confused* and *The House of Yes*) cajoles her librarian godmother (Sasha von Scherler, *Network*) into bailing her out and giving her a job as a clerk at the public library. What follows is Mary's screwball-like journey from a life of late nights and hangovers to romance with a falafel vendor (Omar Townsend) and a potential long-term career as a librarian. Daisy von Scherler Mayer's *Party Girl* is a charming and energetic throwback to '30s and '40s comedies, set amidst the thriving and vibrant club culture of '90s Lower Manhattan.

Parker Posey became "the new queen of the art house" (Michael Musto, *Vanity Fair*) with her hilarious and captivating lead performance in what has become one of the most iconic characters and films of the '90s indie filmmaking boom. Supporting her are Guillermo Diaz (*Scandal*), Liev Schreiber (*Ray Donovan*), Donna Mitchell (*The Ice Storm*) and Anthony DeSando (*Kiss Me, Guido*). In addition to its witty and quotable screenplay by von Scherler Mayer and Harry Birkmayer, *Party Girl* is rightfully beloved for its stacked soundtrack, which includes Tom Tom Club, Run-DMC, Deee-lite, Carl Craig and Ultra-Naté, as well as Mary's stacked wardrobe, which includes pieces by Vivienne Westwood, Todd Oldham, Jean Paul Gaultier and Chanel. *Party Girl* had its finger on the pulse when released in 1995 and, decades later, it's revered as a loving and effervescent cinematic record of a very special time and place in New York City's history. Previously only available in aged standard definition masters, *Party Girl* has now been restored in 4K from its original 16mm camera negative.

Smart, sexy and playfully hip. An insightful comedy with a heart of gold."

"There is nothing comparable to The Residents. Perhaps it's their ability to maintain their mysterious aura after decades of music and multimedia exploration, or maybe it's their skill at excelling in different art forms. Whatever the reason for their longtime success, The Residents continue to raise the bar by taking chances and pioneering new skills."

Acid King - Beyond Vision Cassette

The return of Acid King, one of stoner/doom's founding bands and creators of some of the most monolithic riffs and heaviest tones ever known!

Acid King is stoner doom royalty. With blistering guitars and swirling power dirges aplenty, Beyond Vision is their first new album since 2015's Middle Of Nowhere, Center of Everywhere. Propelled by an undulating, lysergic pulse, Beyond Vision contemplates the winding path of interplanetary existence, and marks a new era for the band who built the template for thundering, swinging doom.

THE LONG RYDERS

SEPTEMBER/NOVEMBER

FIRST ALBUM IN FOUR YEARS

September/November is two-thirds the distilled alt-country genre we helped found back in the 1980s, one third Paisley Underground adventurism yet seasoned with a dash of our own crazed soulfulness thrown in.
