UTE LEMPER -RENDEZVOUS WITH MARLENE

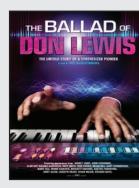

HERO: MAIN MAN RECORDS PRESENTS A TRIBUTE TO DAVID BOWIE

DIANE SCHUUR -RUNNING ON FAITH

WUTHERING HEIGHTS

THE BALLAD OF DON LEWIS

THE WOMAN

MVD MAY- NEW TAKES ON OLD FAVORITES!

German singer and actress **Ute Lemper** takes us on a **RENDEVOUS WITH MARLENE** with her new jazz CD based on the music and words of the legendary film and singing star Marlene Dietrich! Ute spoke with Dietrich 30 years ago, apologizing for being compared to her, resulting in an intimate conversation that spawned this recording. Hear Ute tell the fascinating story of this entertainment legend's career and humanitarian work, along with Lemper's interpretations of Dietrich's songs. Danke schon Ute!

Talking loud about the political turmoil of the Sixties mixed with satire and poetry was songwriter **Phil Ochs**, who lives again this month with the CD **THE BEST OF THE REST: RARE AND UNRELEASED RECORDINGS**. A contemporary and rival in Greenwich Village of Bob Dylan, who recognized Phil as the true "Voice of a Generation." Another legend who has enjoyed a long career is dignified jazz vocalist/pianist **Diane Schuur**. Interpretations of songs ranging from Paul Simon to Paul McCartney grace the multi-Grammy winner's new CD **RUNNING ON FAITH**.

The faithful fans of the Blue Underground have been clamoring for 4K UHD versions of that studio's horror movies MANIAC and ZOMBIE for eons, and faith will be rewarded this month with super sharp versions of those classics. You can never see enough! Not to be outdone, Arrow Video releases their own pair of frightful films with THE WOMAN (DON'T invite her to dinner! YOU may be on the plate!) and DREAM DEMON, which shows you marriage can be a haunting experience! Arrow also releases the Action/Adventure bluray WHITE FIRE (starring Fred Williamson) and BLOOD TIDE, starring sea monsters, sacrificial virgins and James Earl Jones! A hat trick of horror!

We won't harp on it TOO much, but MVD has strung together a multifarious May!

Dynfari - Myrkurs Er Porf Vinyl

Dynfari from Iceland plays black metal influenced, heavily atmospheric music. Myrkurs er þörf is their fifth album.

Having explored more progressive soundscapes in their blend of post-rock and black metal in the most recent works, this album marks a return to more DIY, punch and attitude. An introspection on thoughts of suicide and self-destruction, the essence of bleakness and suffering defeat from the shackles of your own mind, the album's direction is toward a darker, heavier side of the musical spectrum.

lota - Tales Vinyl

When Iota's Tales was first released, it immediately heralded a change in the scope of heavy rock and roll

When Iota's Tales was first released more than a decade ago, it immediately heralded a change in the scope of heavy rock and roll. From the punch of its opening duo "New Mantis" and "We are the Yithians," it departed into three extended cuts that drew together already-classic elements of weighted riffs with a doors-thrown-open sense of space, jammed into scorched-solo psychedelic oblivion.

Circulatory System - Circulatory System

Circulatory System's (Olivia Tremor Control's Will Cullen Hart; Elephant 6) 2001 debut is finally available on vinyl.

With the release of Circulatory System's self-titled release in 2001, Will Cullen Hart (Olivia Tremor Control, Elephant 6) brought a new level of emotion and beauty to his work. The beautiful, lush orchestration, inventive instrumentation, and fanatical attention to sonic nuance are still in full form, but now serve as extensions of Hart's inner quest to discover the nature of time, existence, and the universe.

This is the first time the Circulatory System's debut release has been available on vinyl.

The album's 22 tracks will be pressed on two 140gm LPs (by our friends at Kindercore Vinyl) and wrapped in a full-color, tip-on, gatefold LP jacket (by Stoughton Printing Co.). An insert with lyrics, liner notes, and artwork will be included as well as a download card.

Samuel Andreyev - Iridescent Notation CD

The Kyiv-based Ukho Ensemble, conducted by Luigi Gaggero, works with soloists Maren Schwier and Dina Pysarenko in two newer pieces and presents four ensemble works. Asofy - Nessun Luogo CD

Lycia, Cold wave, gloom black metal

The best way I can think of describing music like this is "loud ambient" -- essentially it uses the palette of modern metal to create sonic spaces that work equally well for immersive listening or as background. If you like this, definitely check out Insect Ark's brilliant album 'Portal/Well' which is what 'Nessun Luogo' reminded me of most strongly.

Barren Canyon - World Of Wounds CD

Canadian black metal, wolves in the throne room, paysage d'hiver, winter black metal, nature black metal

The first epic track starts with 6 long ambient minutes then suddenly all hell is breaking loose. The rest of the song is sharp and precise black metal, cold like an ice-storm, but atmospheric and refering again to the ambient intro at the end. The second track brings in ther picture more atmospheric and dramatic with modern black metal influences. It ends ambient again

Catarsis Incarne - Abiogenesis, Libro III CD

Brutal Dark Death Metal for fans of IMMOLATION and GORGUTS'

.Powerfull & very Dark, CATARSIS INCARNE's music is a wirlwind of brutality and controlled technicality, their music is defined, well constructed and pounding, somewhat similar to what IMMOLATION is doing now but with a nod to the more punishing side of GORGUTS's "Obscura" stalwart of an album... A big wow for the omnipresent darkened aura displayed throughout the 10 songs of the album!

Duo Concertante - Schubert: Music For Violin And Piano CD

This recording by Duo Concertante contains Franz Schubert's most important works for violin and piano.

This music is all about melody. In the Rondo, which is very virtuosic, Schubert settles down to beautiful lyricism. In the Fantasy the theme from Sei mir gegrüßt is simple, but exquisite - but the variations are extremely virtuosic. Even in Schubert's flashy moments he is still singing. The Lied is never far away in Schubert's music!

An introspection on thoughts of suicide and self-destruction, the essence of bleakness and suffering defeat from the shackles of your own mind, the album's direction is toward a darker, heavier side of the musical spectrum.

Phil Ochs - The Best Of The Rest: Rare And Unreleased Recordings

Phil Ochs is known primarily as a songwriter; but his talents extend far beyond that: short stories, poetry and satire

Phil Ochs is known primarily as a songwriter but his talents extend far beyond that - to short stories, poetry and satire. More than a torrent, less than a flood, the songs poured out of Phil so quickly that not all were able to find their place on his albums with some of those songs only emerging decades later. The Warner/Chappell demos which make up the main portion of this represent a time period spanning Ochs' last two albums for Elektra when Phil was finding his full strength as a songwriter and moving to include the lyrical in his repertoire, alongside the topical and satirical.

PRESS

"Phil Ochs has one of those minds. He wrote with such clear thinking, his words lift boulders off hypocracy's hide, and his wit whittles the readers distractions into justice.'"

-Sean Penn

"Phil Ochs, Joan Baez, and Bob Dylan were the most important and influential musical voices of the Sixties protest movement that encompassed civil rights, anti-war, feminism, political reform, and a general questioning of blind faith in authority."

-Kareem Abdul-Jabbar

"I grew up listening to Phil Ochs, and his music had as much to do with my political awakening as did reading Rachel Carson or Allen Ginsberg, listening to John Lennon or Joan Baez or being given a chance to laugh at all the madness via Hunter S. Thompson"

-Michael Moore

"Phil Ochs told the truth before it was ready to be accepted, before it was politically expedient. He was the kind of truth teller that made liberal allies nervous because his truth demanded an accountability to their own compromise,"

—Tim Robbins

"Phil Ochs was a tireless crusader for justice. He is one of the all-time great activist troubadours. With wit and fire, his songs skewered the evildoers of his day and remain perfect examples of how to fight the power with guitar in hand"

—Tom Morello

P.S.A.

A little dark, a little eerie and a little grainy and all intoxicating. JCMC meets the Stooges.

Following up on their 2015 LP Magick Spells comes PSA, a record that retains their characteristic shoegazy, psychedelic sound that Hellbound likened to "The Stooges meets My Bloody Valentine and the Brian Jonestown Massacre all at once--a little dark, a little eerie and a little grainy and all intoxicating." PSA is an album about everything that's wrong with today's pop culture.

Ute Lemper - Rendezvous With Marlene

Ute Lemper tells us Marlene Dietrich's story, along with singing her fabulous songs!

This album is based on a 3 hour phone call and exchange between Marlene Dietrich and Ute in 1988 in Paris, 30 years ago. After receiving the French Moliére Award for her performance in Cabaret in Paris, Ute had sent a postcard to Marlene, who had lived at 12 Avenue de Montaigne since 1979, essentially apologizing for all the media attention comparing her to Marlene Dietrich. Ute was just at the beginning of her career in theater and music, whereas Marlene looked back on a long, fulfilled life of movies, music, incredible collaborations, love stories and stardom.

What a secret gift to hear Marlene talk about her life, her work and style, her love for the poet Rilke, her complicated relationship with Germany, her sorrow and her fascinations.

Six days before Ute's opening night playing the part of Lola in the 1992 Blue Angel production in Berlin - the role that had made Marlene a star in 1928 - Marlene Dietrich passed away in Paris. After her glamorous funeral in La Madeleine, Marlene finally came back to Berlin to be put to rest

Ute tells us Marlene's story, along with singing her fabulous songs from all the chapters of her life, from the Berlin cabaret years to her fabulous Burt Bacharach collaborations.

Cory Weeds Quartet Featuring David Hazeltine - Day By Day

A swingin' affair best describes this collaboration of New York pianist David Hazeltine and alto saxophonist Cory Weeds.

On Day By Day, this wonderful new recording by Cory Weeds featuring David Hazeltine, we hear undeniable musical chemistry. The blend of the nimble, modern touch of Hazeltine and the classic tone of Weeds' alto are a natural match. Effortless is how it sounds. Both men are studied and accomplished musicians with clear reverence not only for each other, but also the masters of the music.

Phil Ochs is known primarily as a songwriter; but his talents extend far beyond that: short stories, poetry and satire

Entity was recorded through 2018 and early 2019 at The Ogre's Horrorsound Studios, taking time with no rush whatsoever to find the perfect sound for it.

Terry Myers Orchestra - A Tribute To Benny Goodman CD

Terry Myers and his splendid Florida-based orchestra with a tribute to the great music of Benny Goodman.

This album is not only a tribute to the great music of Benny Goodman. We consider this to be, also, a tribute to the wonderful generation which made the music popular in the first place. The sacrifices they made for all of us in defeating the depression and the axis powers in Wold War II made it possible for us to thrive in the last half of the twentieth century. To all of them, we say "thanks".

Foundling Heathcliff and Catherine fall in love, but she marries a wealthy man, he becomes obsessed with getting revenge

Mistreated foundling Heathcliff and Catherine fall in love, but she marries a wealthy man, Edgar Linton so Heathcliff becomes obsessed with getting revenge. Nor can he satiate his thirst for revenge, manifested through his own loveless marriage to Edgar's sister Isabella. In this television adaptation of Emily Bronte's Wuthering Heights, realism and gothic symbolism combine to form a romance novel that's full of social relevance. Follow the self-destructive journey of Heathcliff as he seeks revenge for losing his soul mate, Catherine, to Edgar Linton.
