ROBOCOP: STEEL THE MAN!

Off the scrap heap and into your living room! **ROBOCOP** is back fighting crime in this limited edition Steelbook and Blu-ray deluxe repackaging from Arrow Video! Alex Murphy is shot in the line of duty and resurrected as a copper made of Steel, forged Frankenstein-like from spare human parts and Motor City Metal- while still possessing human feelings. **ROBOCOP** fights crime and the evil empire who try to control him! This **ROBOCOP** deluxe package, with boatloads of extras, will definitely hold you captive!

HITCHHIKE TO HELL concerns a mild-mannered delivery guy who picks up female hitchhikers, who turn him into a twitching homicidal maniac! Pick it up on Blu-ray from Arrow Video. A vengeful cop and a psychotic slasher clash in the AGFA Blu-ray/DVD combo release of **WICKED WORLD**. 'Filled with metal riffage and gnarly ultra-violence!' **WICKED WORLD** has the feel of 'Salvatore Dali injecting acid into his brain while looking at a Cannibal Corpse album cover!' Whoa!

James Franco, Dennis Quaid and an all-star cast grace the DVD **PRETENDERS**, from Cleopatra Entertainment. A love triangle replete with sex, betrayal and collateral damage leads to a dangerous life and death situation. Not at ALL fun and games! And definitely not fun is awakening a giant monster intent on revenge after a boat sinks its cub! The DVD **REIGO: KING OF THE SEA MONSTERS** features an escalating battle on the high seas between Battleship and Behemoth!

Music to our eyes and ears comes in the form of **HUMBLE PIE** Blu-ray/DVD/CD triple pack of **HUMBLE PIE: LIFE AND TIMES OF STEVE MARRIOTT**. An immersion in one of the most-regaled English rock n' boogie band of the 70s, fronted by soulful singer **Steve Marriott** and guitarist **Peter Frampton**. Interviews, archival footage, celebrity interviews all weigh on their love of Pie. Another legendary British blues rocker is the late **JACK BRUCE**, whose influence is remembered on **SUNSHINE OF YOUR LOVE: A CONCERT FOR JACK BRUCE**. CD/DVD from this London tribute features Bruce's **CREAM** bandmate **Ginger Baker**, as well as **Ian Anderson, Phil Manzanera** and many more. More cream from this month's crop include new music from **WISHBONE ASH** (live CD/DVD), **THE HANGMEN** (LP and CD) and the **Dictators'** **HANDSOME DICK MANITOBA** with his new CD **BORN IN THE BRONX**.

SALES! On **Cree Records** (pg7), **JSP Records** (pg25), and **IndiePix** (pg55)

Sasha Bell - Love Is Alright Vinyl

Sasha Bell of The Essex Green releases her solo debut!

Sasha Bell has played with various groups throughout her career, most notably with The Essex Green and The Ladybug Transistor. Love is Alright, her solo debut, offers a contemporary style with touchstones from the past, recalling Judee Sill or Melanie Safka, while the arrangements occasionally summon the work of Melissa Manchester and Margo Guryan with a moody, psychedelic twist.

Botanist - Ecosystem Vinyl

Post-black metal worship of the Natural world. Enter the Verdant Realm

Botanist is a highly creative Experimental Avant-garde Black Metal band, or, in their perspective, Green Metal. At times eerie and ghostly, almost mystical, the sound is harsh, but it's still gorgeous and almost delicate, haunting, atmospheric and soothing. Limited edition LP in translucent white with brown haze vinyl.

Coffin Rot - A Monument To The Dead Vinyl

Old-school death metal harkening back to no-bs early-90's horror-themed filth

With their authentic, no frills approach, Portland, Oregon's Coffin Rot sound as if torn straight from the grave of the early '90s. Grisly minded, old school death metal, inspired by gore, torture, serial killers, cannibalism and surgery, the 8 tracks here bludgeon with a visceral, grotesque savagery sure to appeal to fans of Autopsy, Morta Skuld, and early Cannibal Corpse.

Domkraft - Slow Fidelity Vinyl

The masters of hypnotic, post-apocalyptic doom issue an EP of infectious heaviness. Cameo from Mark Lanegan!
Sweden's prolific post-apocalyptic doom trio return on the heels of their mindblowing album, "Flood," with a new 3-song EP of mindbending, experimental heaviness. At nearly 30 minutes, this mini-album builds on the band's cataclysmic, looping riff foundation and adds delicate touches plus a mammoth jam-monster that features no less than three guest singers, including the singular Mark Lanegan.

Facility Men - It's Fun To Disappear Vinyl

12 songs of desperate, melodic, and frenzied Rust Belt hate. Members of Blowtops, Fatal Figures, Plates
From the underground of Buffalo, NY, comes 12 songs of desperate, melodic, and frenzied Rust Belt hate. Members of Blowtops, Fatal Figures, and the Plates. Our modern Facility Men have no time for nostalgia or gratuitous nods to the past. The real ones lash out from necessity and It's Fun to Disappear is hopefully only the beginning.

Hot Breath - Hot Breath Vinyl

That fresh minty taste won't keep this HOT BREATH away.

That fresh minty taste won't keep this HOT BREATH away. With a pounding heart for that raw 60's Detroit energy and the dirty streets of late 70's London, HOT BREATH is rushing with adrenaline and pure teenage lust. This hard beating four-piece from Gothenburg (Sweden) will run face-first through your bedroom door. "Wake up punk! It's time to shine!".

Karyn Crisis' Gospel Of The Witches - Covenant Vinyl

second album from the Occult Metal band covering a lot of ground and moods from evil heaviness to ambient passages

KARYN CRISIS' GOSPEL OF THE WITCHES is the brainchild of 2 visionaries: Karyn Crisis (ex-Crisis) and Davide Tiso (Ephel Duath, Howling Sycamore). Their debut "Salem's Wounds" was released by Century Media records with worldwide critical acclaim in 2015, now it's time for a brand new album titled "Covenant" featuring Fabian Vestod (Skinlab) on drums.

Edgar Knecht - Personal Seasons Vinyl

Two seasons cycles with their very own character. The most ambitious album by the exceptional pianist.

The Fires of Summer Personal Seasons never fails to deliver what pianist Edgar Knecht and his band can do best: Lively grooves, magical, melodic soloing and a unique fusion of jazz, classical music and German folk songs which is typical for Knecht. At the same time, it encompasses two complete seasonal cycles, each with a unique character.

Nocturnalia - Iii: Winter Vinyl

In the mysterious vast lands of Scandinavia, dark- and heavy rock quintet Nocturnalia resides

In the mysterious vast lands of Scandinavia, where ancient monuments of stone erecting towards the sun, dark- and heavy rock quintet Nocturnalia resides. With thunderous and organic sounds of classic rock, ritualistic drum patterns and sinister yet beautiful storytelling they create a hypnotizing blend of music and impressions characterized by epic soundscapes and sublime winding melodies.

Lou Rogai - Cathedral Vinyl

An experimental elegy for chamber ensemble in three movements. Orchestrations laced with tendrils of field recordings.

An experimental elegy for chamber ensemble in three movements. Orchestrations of classical guitar, winds, brass, synthesizer, vocals, and piano are woven with tendrils of string passages and field recordings. The movements are exercises and expressions on theme, working within an overarching reference to the inner cathedral or sanctuary, the hidden spiritual chambers and corridors inside of us.

Unrequited - Stars Wept To The Sea Vinyl

Canadian atmospheric post black metal main act at their best

Where Mesarthim is electronic black metal entirely in space, Unrequited delivers it from earth but gazing into an infinitely black sky. Among the tremolos blast beats, delicate synth taps sound like blinking orbiting satellites. Part random, part synced to some cosmic order. There's a constant depressed but hopeful melody with natural sounds scattered about.

Evel Knievel - Evel Knievel

12 inch picture disc in a clear vinyl sleeve inserted into a custom printed jacket

Evel Knievel was the world's greatest motorcycle daredevil. Very few people in the world would even try what he does, and no one so far has done it quite as well or nearly as spectacularly. Over the course of his career, he attempted more than 75 ramp-to-ramp motorcycle jumps; in 1974, he failed an attempted canyon jump across Snake River Canyon in the Skycycle X-2, a steam-powered rocket. This is the original and only album that was released at the time of his now historic Snake River Canon jump. While he failed, the album went on to sell hundreds of thousands copies in department stores and free standing record outlets.

Birdeatsbaby - The World Conspires CD

Fifth album from Brighton's Birdeatsbaby

Great feelings, energy, melancholic soft melodies. "The World Conspires" is the fifth album and at the same time the beginning of a new phase in the musical development of BIRDEATSBABY, touching the spheres of modern Prog Metal for the first time. Reaching into these new avenues of musical inspiration, the English band fuse their genre of Dark Cabaret with harder progressive sounds.

MVD WELCOMES: Esordisco

Esordisco is an Italian indie label created in 2012 by Pierre Ruiz. The label name is a pun meaning "I begin". The editorial line is exclusively focusing on Italian artists but with no music genre limits. In November, the label will release a world premiere: "The complete Jeff Buckley and Gary Lucas songbook" by The Niro featuring Gary Lucas. Only few people know that Jeff and Gary wrote 12 songs for Gary's band "Gods and Monsters" which featured Jeff as lead singer. Then Jeff decided to leave the project and continue solo. From their 12 songs, Jeff will later select "Mojo Pin" and "Grace" to feature on his eponymous debut album. For the first time, the fantastic Italian singer The Niro and Gary Lucas have recorded the entire original project, including five tracks never before released.

Blame Zeus - Seethe (CD)

Heavy rock and alternative metal from Portugal, BLAME ZEUS come back with their third album 'SEETHE'

With influences that range from blues to metal, their music can be described as an intense and heavy rock, but also with intimate and nostalgic ballads. "SEETHE" is heavier, darker, more progressive, and it will submerge the fans in a turmoil of strong feelings. Fans will certainly feel the same old vibe in the songs, but recognize it has been upgraded, with a more modern sound.

Botanist - Ecosystem (CD)

Post-black metal worship of the Natural world. Enter the Verdant Realm

Botanist is a highly creative Experimental Avant-garde Black Metal band, or, in their perspective, Green Metal. At times eerie and ghostly, almost mystical, the sound is harsh, but it's still gorgeous and almost delicate, haunting, atmospheric and soothing.

Clash - Montego Bay 1982 CD

Formed in 1976, The Clash were one of the founding bands in the early British Punk movement.

There is no doubt that the band could rock, but they also incorporated elements of Reggae, Ska, Rockabilly and even Hip Hop to create their unique blend of music. The Clash garnered major success and recognition worldwide with seminal classic releases such as London Calling, Sandinista and Combat Rock. This CD captures them at their best on stage in Montego Bay in 1982.

Coffin Rot - A Monument To The Dead CD

Old-school death metal harkening back to no-bs early-'90's horror-themed filth

With their authentic, no frills approach, Portland, Oregon's Coffin Rot sound as if torn straight from the grave of the early '90s. Grisly minded, old school death metal, inspired by gore, torture, serial killers, cannibalism and surgery, the 8 tracks here bludgeon with a visceral, grotesque savagery sure to appeal to fans of Autopsy, Morta Skuld, and early Cannibal Corpse.

Handsome Dick Manitoba - Born In The Bronx

Handsome Dick Manitoba finally releases his first solo CD

Handsome Dick Manitoba was the leader of the NYC punk group "The Dictators" starting in 1975. The group went through a series of break ups and name changes but always with Manitoba as front man. This is his first solo release and is backed by a lineup of stellar musicians including P.F. Sloan, Michael Shrieve, Simon Kirke and others. Sloan backs him here on his opus "Eve of Destruction" playing harmonica, guitar and on background vocals. He was also an on air DJ on Sirius/XM for 14 years, being recognized by The Village Voice as "Best Satellite Radio DJ" in 2005. Manitoba was also lead singer for MC5 starting in 2005, after the death of lead singer Rob Tyner and remained in that capacity until 2012, when MC5 finally disbanded after the death of bassist Michael Davis in 2012. He now has a podcast called "You Don't Know Dick"...and the best is yet to come!

Dark Prison Massacre - Overtreated Cause Opposited CD

The distant east is no longer mysterious, here comes the roar of dinosaur from a renaissance society

The distant east is no longer mysterious, here comes the roar of dinosaur from a renaissance society, here comes the pig barking under the sun of socialism. In this EP, you will see the deep thinking of resource consumption under over domination. You will hear the fusion of tradition and modernity, the hybrid of reggae and slamming.

De Kaboul A Bamako CD

This beautiful compilation disc creates an imaginary route between two far away cities on the very actual theme of exile

The road from Kabul to Bamako probably exists. Neither history books nor storybooks have kept track of adventurers, mages or merchants who once used it, and no river, no flight of migratory birds, no precious trade has drawn this path. In reality, what unites Kabul and Bamako is a series of stamps on a passport kept with a few crumpled certificates in a waterproof pocket.

Deep Ford - You May Cross Here CD

This pure music seems less like a look at our world than its modification in progress

The miracle of an encounter does not always occur. With Deep Ford, it happened because the three men brought together here had nothing but points shared in common: an embarrassment of riches! Their way of approached the field of jazz, for instance, marks them out, and consequently their respective careers. This pure music seems less like a look at our world than its modification in progress

Die Krupps - Vision 2020 Vision CD

Die Krupps shows once again why it is an everlasting, driving force in the industrial & EBM movements

Die Krupps is a name synonymous with the electro-industrial-metal & Neue Deutsche Härte genres. Since its formation in the early 80s, Die Krupps has constantly evolved, using synthesizers, metallic percussion, heavy guitars to create it's own brand of metal-machine-music. On Vision 2020 Vision, Die Krupps shows once again why it is an everlasting, driving force in the industrial & EBM movements

Domkraft - Slow Fidelity CD

The masters of hypnotic, post-apocalyptic doom issue an EP of infectious heaviness. Cameo from Mark Lanegan!

Sweden's prolific post-apocalyptic doom trio return on the heels of their mindblowing album, "Flood," with a new 3-song EP of mindbending, experimental heaviness. At nearly 30 minutes, this mini-album builds on the band's cataclysmic, looping riff foundation and adds delicate touches plus a mammoth jam-monster that features no less than three guest singers, including the singular Mark Lanegan.

Double Drums - Groovin' Christmas CD

Two percussionists have rarely been seen swirling across the stage like that.

Not only popular drum kits and percussion utensils belong to their rich range of instruments, but all sorts of sounding utensils, up to hardware store equipment such as saws or drills. And yet, beyond their showmanship, the musical result always speaks for itself. This is proven by the four CDs they have released so far, and even more by their most recent project: "Groovin' Christmas".

Downfall Of Nur - Umbras De Barbagia CD

Crowned by worldwide press as 2015's best debut album in extreme metal

Impressively intense, Atmospheric Black Metal. Umbras de Barbagia doesn't let you go of you without leaving a lasting mark. Each track compliments the stark contrast between serene instrumentals and pure assault, building momentum and hooking in the listener. Akin to the monuments of the fallen Nuragic civilization crashing like waves upon Sardinia's serene shores.

Eversound Bhajans CD

Traditional Devotional Songs from India

A bhajan literally means "sharing". It also refers to any song with religious theme or spiritual ideas, in any of the regional languages from the Indian subcontinent. As a bhajan has no prescribed form, or set rules, it is in free form, normally lyrical and based on melodic ragas. It belongs to a genre of music and arts that developed with the Bhakti movement.

Evoked - Ravenous Compulsion CD

Oldschool Death Metal from Germany in the vein of early PESTILENCE or MORGOTH

Topped off by a gloriously gory artwork, the album alternates between quasi-Swedish buzz ('Into Obliteration') and blissfully hideous doom in the vein of Autopsy, at times even blackly blasting as in 'Festering Alive', constantly swinging and swashbuckling in equal measure....

Funeral Oration - Elphas Love CD

Spooky occult black metal, Italian dark metal

More than two decades later the band is once again truly inspired, adorned with religious aesthetics and lyrics, driven by former members Luca La Cara (main composer and guitarist) and The Old Nick (on vocals and rants). This long hiatus allowed them to preserve an original and unique sound, distant from all trends coming and going in the black metal scene.

Junkyard - Old Habits Die Hard

Acetate Records unleashes Junkyard's previously unreleased 1992 album on November 22!

Junkyard opens the vault and blows the dust off a killer collection of recordings slated as the follow up to 1991's "Sixes, Sevens and Nines." Kicking off with a hearty introduction courtesy of local LA icon Donnie Popejoy), guitarist Brian Baker's opening riff sets up the concoction of raucous, bittersweet, bloozy rock that follows. Loose and tight in good measure, with stomping beats and dual guitars zigzagging around David Roach's raspy howl... make no bones about it - this band could play. The strut and swagger of "Pushed You Too Far" and the soulful "Tried & True" are balanced by the slow, dirge of "Blue Sin" and the melancholic duet "Hangin' Around With My Dreams." "Old Habits" recalls everything from Sticky Fingers-era Stones and ZZ Top to the Ramones and Lynyrd Skynyrd (who they toured with in '91). More than anything else, though, it sounds like Junkyard. Back in 1992, Junkyard was a well-oiled machine, their previous two releases performed well, they had multiple videos in rotation on MTV, and successful club and arena tours under their belt. But the major label's rush to jump on the next "popular music trend" quickly led to Junkyard's demise. "At this point, Nirvana's "Nevermind" album had been out a few months and we all kinda knew which way the wind was blowing," singer David Roach recalls, "we didn't really 'officially' break up as a band, it was as simple as the party's over." Twenty years later, Geffen re-released the first two Junkyard albums and once again, the band was in demand. Tours of Japan and Europe followed, and the band started writing again. In 2017, Junkyard released "High Water", their first full-length album in 26 years on LA indie, Acetate Records, the album peaked at 24 on Billboard's Hard Rock Chart. With the band back in form, it seemed like the right time to dust of the tapes.

Volker Kriegel - Two Concerts (Lagos 1979 & Bochum 1990) CD

With this 2CD set we present two great concert recordings from two different creative phases in Volker Kriegel's life.

In 1979 Volker Kriegel was well established in the German and European jazz rock scene. Under the aegis of the Goethe-Institute he and his Mild Maniac Orchestra and guests toured for seven weeks through eleven countries of West- and East Africa in early 1979. Time leap into 1990: Volker Kriegel plays with a new band in Bochum. The recordings from Bochum are the perfect live counterpart.

Joe McCarthy & The New York Afro Bop Alliance Big Band - Upwards CD

Latin Grammy winner Joe McCarthy introducing his Latin Jazz big band in 2 jazz standards and 6 band member originals!

On his second ZOHO release, drummer Joe McCarthy leads his impressive, NY based large ensemble through two vintage jazz numbers and six colorful pieces written by current and past band members. That the band can move quickly from angular, intervallic runs to lush, pensive moments is a testament to the virtuosity of its performers and the artistic suppleness of its leader. - Kabir Sehgal, producer

Glenn Branca - The Third Ascension

The follow up to Glenn Branca's legendary 1981 release *The Ascension* as well as 2010's *The Ascension: The Sequel*.

SYSTEMS NEUTRALIZERS would like to announce *The Third Ascension*, the first release from avant guard composer Glenn Branca since his death in 2018. The Glenn Branca Ensemble will commemorate the release with the first posthumous live NYC performance of his guitar music at Saint Vitus in Brooklyn on what would have been his 71st birthday on October 6th, 2019. This is a return to the 4-guitar, bass and drums format of his legendary 1981 release *The Ascension* as well as 2010's *The Ascension: The Sequel*. The recording is a live performance by The Glenn Branca Ensemble at NYC's The Kitchen in 2016. Emerging from the late 70's No Wave scene and moving into composition, Branca's 45 years of work as a composer included music for experimental rock bands, large ensemble instrumentals for electric guitars, symphonies for both electric instrumentation and acoustic orchestras, chamber ensembles, an opera, a ballet, choral works, and music for film, dance, theater, and installation art. Membership in his Ensemble jump started the careers of Sonic Youth, Swans and Helmet and his influence on the worlds of Rock, Contemporary Classical, Experimental, and New Music is incalculable.

TRACK LISTING

- Velvets And Pearls
- German Expressionism
- The Smoke (Guitar Concerto for Arad Evans)
- Lesson No. 4
- Twisting In Space

PRESS

"Bells are ringing, Loudly, A celestial choir screams in epiphanic ecstasy. The music unrolls like a blistering juggernaut, spiked with scalding tempos and latticework of overtones and textures that conjure voices, horns, violins and cathedral chimes from thin air. Three hundred years earlier Branca would have been hanged for witchcraft."

—Ted Drozdowski, *MUSICIAN MAGAZINE*

"This music does somehow seem to take on the aspect of an event in nature or an act of God."

—Richard Buell, *BOSTON GLOBE*

Queen - Rockin Brazil: Radio Broadcast 1981 CD

Few bands embodied the pure excess of the '70s like Queen.

Embracing the exaggerated pomp of progressive rock and heavy metal, as well as vaudevillian music hall, the British quartet delved deeply into camp and bombast, creating a huge, mock-operatic sound with layered guitars and overdubbed vocals.

Lou Rogai - Cathedral CD

An experimental elegy for chamber ensemble in three movements. Orchestrations laced with tendrils of field recordings.

An experimental elegy for chamber ensemble in three movements. Orchestrations of classical guitar, winds, brass, synthesizer, vocals, and piano are woven with tendrils of string passages and field recordings. The movements are exercises and expressions on theme, working within an overarching reference to the inner cathedral or sanctuary, the hidden spiritual chambers and corridors inside of us.

Residents - A Nickle If Your Dick's This Big (1971-1972): 2CD pREServed Edition

Includes 'the w**** b*** album' and 'b.s.', previously only available on vinyl as limited Record Store Day releases.

Formed in the early 1970s, The Residents have been charting a unique path through the musical landscape for almost fifty years. From far-out, experimental recordings to highly conceptual, innovative multi-platform projects, the band refuses to stand still, and continues to move in several different directions at once. Released on CD for the first time, this set captures the group's earliest work - two legendary album length demo tapes and three live recordings made under the direction of their mentor, The Mysterious N. Senada, between the Springs of 1971 and 1972. Packed with non-songs, poetry, mutant cover versions, sonic experiments and ambitious suites, 'The W**** B*** Album' and 'B.S.' set the groundwork for all that was to follow in the studio, whilst the three live recordings show the group - then a large, rambling collective rather than anything resembling a band - exploring the live-show-as-performance-art space they continue to inhabit to this day. This is must-hear material for both fans of The Residents and those interested in post-hippy, pre-punk DIY avant-garde experimentalism.

Residents - Not Available: 2CD pREServed Edition

The legendary album remastered, plus the entirely unreleased 'x is for xtra' tapes. 19 previously unreleased tracks!

Formed in the early 1970s, The Residents have been charting a unique path through the musical landscape for almost fifty years. From far-out, experimental recordings to highly conceptual, innovative multi-platform projects, the band refuses to stand still, and continues to move in several different directions at once. Among the band's extensive back catalogue, one record sits alone - composed in accordance with the group's infamous Theory Of Obscurity, 'Not Available', and the saga that surrounded its release, comprises perhaps the most truly 'Residential' work the group have yet produced, and remains their most intriguing album among fans and critics alike. Now, over forty years after that saga unfolded, and produced using the original masters and multitrack tapes, this package explores and expands the classic album in unprecedented detail - Disc 2 reveals the original 1974 'X Is For Xtra (A Conclusion)' recordings which were adapted, edited, remixed and reprocessed into 'Not Available' by Ralph Records in 1978. Familiar and recognisable in places, entirely unheard in others, this revelatory new material sheds paradigm-shifting light on a masterpiece of 20th Century pop culture. Remastered, expanded, and pREServed for future generations - this is The Residents as we've always wanted to hear them, and the latest in a series of archival reissues that will continue throughout 2020 and beyond. Look out for forthcoming 'American Composers', 'Cube-E', 'Freak Show' and 'Gingerbread Man' sets.

Neil Young & Crazy Horse - Roskilde Festival CD

Stunning 2001 Performance From Denmark's Most Prestigious Festival

In Summer 2001 Neil Young and Crazy Horse went out on a short tour with seven concerts in the US and a handful too in Europe. One of the finest shows the band played during this jaunt was at Denmark's Roskilde Festival. Still today sounding as dynamic as it did at the time, this previously unreleased recording is now available on this double CD set for the first time.

Zac - Zac CD

Debut studio album from retro Italian powerpop band ZAC!

Debut studio album from retro Italian powerpop band ZAC! Featuring members of Giuda. You couldn't wish for a happier landing than a touchdown in the colourful and offbeat world of Zac. Born in the Torpignattara neighbourhood of Rome on a night, our four pop heroes must have quaffed the best Italian wines and ingested the most hallucinogenic of food stuffs to fuel such wild dreams.

Simone Zanchini & Frankfurt Radio Big Band - Play The Music Of Nino Rota CD

This is Simone Zanchini's 25th album in the 20 years since his recording debut.

"I'm a musician who plays accordion, not an accordionist who plays jazz," says Simone Zanchini, proud of a distinction that is proven by Nino - his 25th album in the 20 years. Zanchini embraces and transforms half a dozen already complexly compelling works of the great Italian soundtrack composer Nino Rota, brilliantly arranged by Jörg Achim Keller for the Frankfurt Radio Big Band.

Cosmic Conspiracy DVD

Inside the conspiracy to rule the world...

There is a conspiracy to rule the world, but the truth is far stranger than fiction. The truth in essence, is that Reality isn't what it seems. With UFO sightings on the rise, sinister programs to spy on unsuspecting citizens and black projects like MK Ultra proven to be real, what's left in that massive wake is the question of "what else" is going on that we are not aware of

The Far Country Blu-ray Disc

An archetypal example of its genre, *The Far Country* is one of five superb westerns the screen legend James Stewart (*Vertigo*, *Man of the West*) made with acclaimed Hollywood auteur Anthony Mann (*The Man from Laramie*). Mann's direction expertly steers the film to an unorthodox, yet thrilling 'all guns-blazing' finale, whilst the imposing landscape takes on a whole new splendour in High Definition.

RoboCop (Limited Edition) & Steelbook Edition

PART MAN, PART MACHINE, ALL COP. *RoboCop*, from Orion Pictures, marked director Paul Verhoeven's (*Flesh + Blood*) Hollywood debut and instantly became an enduring sci-fi/action classic when it landed in theaters in the summer of 1987. Verhoeven's peerlessly exciting and kinetic visuals were matched by a sharp script, iconic cast and exceptional special effects by Rob Bottin (*The Thing*) and Phil Tippett (*The Empire Strikes Back*). The film takes place in Detroit in the not-too-distant future. Heroic cop Alex Murphy (*Peter Weller*, *The Adventures of Buckaroo Banzai*) is gunned down in the line of duty, only to be resurrected as *RoboCop* - a cybernetic mix of spare human parts and Motor City steel, and the latest defense against crime designed by the all-powerful OCP Corporation. As *RoboCop*'s memories of his former life as Murphy resurface, only his ex-partner (*Nancy Allen*, *Dressed To Kill*) stands beside him to fight against the vicious thugs responsible for his death, as well as a nefarious top-level OCP executive orchestrating the chaos from above. Unsurpassably thrilling, unexpectedly moving and unforgettably hilarious in equal measure, the future of law enforcement is back in a definitive Blu-ray™ presentation packed with hours of brand new bonus features and exclusive collectable packaging.

BONUS MATERIALS

- Edited-for-television version of the film, featuring alternate dubs, takes and edits of several scenes (95 mins, SD only)

Reigo: King Of The Sea Monsters

Long live the new king!

The battleship Yamato, the largest and strongest of its time, is on patrol when a lookout spots a massive shape half-submerged in the distance. Believing it to be an enemy submarine, they fire and score a direct hit. But they are shocked when the object emits a strange cry as it sinks beneath the waves. Soon after, something much bigger arrives, the massive kaiju Reigo, seething with rage at the murder of its cub. The monster attacks the Combined Fleet with incredible ferocity and awesome destructive power. The naval forces are caught off guard, and Reigo is able to destroy the escort ships and damage the Yamato before returning to the ocean depths. Now the stage is set for a final battle to unfold between the world's largest battleship and the mysterious dragon-like monster - who will prevail?

Billy The Kid And The Green Baize Vampire

Billy the Kid accepts a challenge from Maxwell Randall (the Green Baize Vampire); the loser can never play snooker again

Cocky cockney snooker player Billy Kid accepts the challenge of a grudge match from Maxwell Randall (the Green Baize Vampire), six times world champion; the loser will never play professional snooker again. Billy the Kid is a young, up-and-coming snooker player. His manager, T.O. (The One), a compulsive gambler, falls into debt with psychopathic loan shark the Wednesday Man, who offers to cancel T.O's debt if he can arrange a 17-frame grudge snooker match between Billy and the reigning world champion Maxwell Randall (popularly known as the Green Baize Vampire). To ensure that both players will agree to the match, T.O hires a journalist, Miss Sullivan, to stir up trouble between them. She interviews Billy and the Vampire separately, asks them leading questions intended to elicit angry responses and provoke enmity, then prints the results. To ensure that both players will agree to the match, T.O hires a journalist, Miss Sullivan, to stir up trouble between them. Harry & Meghan: A Very Modern Romance

The triumph of Harry and Meghan

Meghan Markle and Prince Harry have married. With the same interests, they seem ideally suited. They have both confronted difficult upbringings and triumphed. Now they triumph together. This one-hour special explores the social background that makes this adventurous marriage seem thoroughly in keeping with the modern British Royal Family. It explores the remarkable lives of actress Meghan Markle, a powerful woman's rights campaigner, and Prince Harry, who has broken out of the royal straight jacket without losing his royal dignity. Eighty-two years after a romance with a divorced commoner from America led to the abdication of a King, this royal marriage sets and confirms a revolutionized set of British values.

Princess Diana: A Life After Death

A powerful summary of Princess Diana's historical, political and social legacy

Princess Diana: A Life After Death is different from many of the recent programs commemorating the 20th anniversary of Princess Diana's death. It is not just an anniversary program. It is a powerful summary of Princess Diana's historical, political and social legacy. Princess Diana's death set the British nation thinking deeply about its monarchy and its royal family. In the unstable summer of 1997 a strange atmosphere existed throughout Britain. The country's young Prime Minister Tony Blair had just won an election with a big majority and the tabloid press were pursuing Princess Diana after her separation from Prince Charles. Events were already leading to a full-scale crisis for the British monarchy. The terrible sudden and completely unexpected death of Diana changed Britain. This powerful and original new program looks at the history of Princess Diana's life after her death. The question of the "condition of Britain" is portrayed in the program - on the one hand through the life of her sons and family after her death and on the other through the collective memory we have through the images and controversies of Diana's life. The British monarchy is now trusted more than ever before. It is politicians who have lost trust. The selfless aspects of Princess Diana's wide interests continue to act as a form of both emotional ballast and inspiration to the British nation and the world at large. The distinguished contributors include Sir Anthony Seldon, Alastair Campbell, Jeffrey Archer, Emily Nash, Katie Nicholl, Catherine Mayer, Richard Kay and Sarah, Viscountess Bangor. Backed by a full orchestral soundtrack, Princess Diana: A Life After Death takes a lasting approach to describing the life of one of the most important women who has ever lived. The programme is intended to have a long life. It is not just an anniversary programme.

Yesterday Was A Lie DVD

The most powerful force in the universe lies within the depths of the human heart.

Hoyle, a girl with a sharp mind and a weakness for bourbon, finds herself on the trail of a reclusive genius. But her work takes a series of unforeseen twists as events around her grow increasingly fragmented... disconnected... surreal. With a sexy lounge singer and a loyal partner as her only allies, Hoyle is plunged into a dark world of intrigue and earth-shattering cosmological secrets.

Picture Of Beauty Blu-ray Disc

A painter finds two girls to model for him. The girls come of age while exploring their sexuality and finding liberation

In a small village dominated by the church, a painter finds two pretty girls to model for him. Through this experience, the girls come of age while exploring their sexuality and find liberation in a repressed society. The beautiful Taylor Sands and Daniella Rosa star in this homage to the politically-charged erotic cinema of Tinto Brass, Waterian Borowczyk, and Jess Franco.

The Hangmen - East Of Western CD (Reissue)

25 plus years of raunch n roll from the Hangmen!

Recently joined by ex-Supersuckers guitar player Ron Heathman, Los Angeles natives The Hangmen celebrate 25+ years together with East Of Western, their latest effort for Acetate Records. The quartet's sixth release smashes together lead singer Bryan Small's lurid love songs with unsparing, unsentimental blasts that shine a baleful and penetrating light into the dark and seedy corners of modern day Los Angeles. Recent TV placements include on Sons Of Anarchy, Friday Night Lights, Blue Mountain State and a Dodge Uconnect commercial!

The Hangmen - We've Got Blood on The Toes CD (Reissue)

We've Got Blood on the Toes of Our Boots album for sale by Hangmen was released Mar 04, 2003 on the Acetate label. Los Angeles' the Hangmen were the original cowpunks, doing it before and better than bands like the Supersuckers (Eddie Spaghetti has called them, one of my favorite bands of all time). Bandleader/singer/guitarist Bryan Small moved from Idaho to Los Angeles in 1984 and formed the group, driven by the amazing output of bands like the Gun Club and X. We've Got Blood on the Toes of Our Boots CD music contains a single disc with 16 songs.

Killer - Volume Two: Only the Strong Survive 1988-2015 CD

In the history of Belgian heavy metal there are just a handful of bands who stand apart as being influential and impressive; of these, Killer are perhaps the most crucial of all. While there have been others - notably Acid, Ostragoth, Crossfire and FN Guns - who have all made their impact, it is Killer who are regarded as the most important metal name ever to come out of Belgium.

Kool & The Gang - Ladies Night: Expanded Edition CD

1979 would see Kool & The Gang release LADIES' NIGHT, their 13th studio album. LADIES' NIGHT was a departure from the group's edgier Funk sound that had brought them plenty of success throughout the 1970's. LADIES' NIGHT, with its combination of pure, straight ahead dance cuts and down tempo soul pop helped Kool & The Gang strike a new chord with the music buying public.

Pat Labarbera & Kirk MacDonald Quintet - Trane Of Thought, Live At The Rex CD

Two Canadian Tenor Titans unite to honor the legacy of their hero John Coltrane

Coltrane's repertoire was vast, and Kirk and Pat have amassed a songbook of about 130 tunes they've played in the tribute. The difficulty of deciding what to include in the album could have been daunting, but they struck a thoughtful balance, including early Trane, landmark songs, and more obscure ones.

Punishment Of Luxury - Puppet Life: The Complete Recordings CD

• Definitive, career-spanning five-CD box set from influential Geordie post-punk band who still play shows to this day.

Coordinated with help from Neville Atkinson, Puppet Life offers the complete recorded output of Punilux down the years. All their tracks for Small Wonder, United Artists and Red Rhino are joined by a previously unissued John Peel session from 1978 and a whole disc's worth of hitherto unheard live material.

TELARC: A SPECTACULAR SOUND EXPERIENCE [45 RPM]

CREATIVE RECORDING PHILOSOPHY AND SOUND QUALITY PAR EXCELLENCE.

Telarc was launched in 1977 as a pure classical label. It was founded by musicians Jack Renner and Robert Woods who quickly became known for their high quality recordings and signature Telarc sound. Over time, the company amassed over 50 Grammy Awards.

Telarc has enjoyed long relationships with the 'Prince of Pops' Erich Kunzel & Cincinnati Pops Orchestra, Robert Shaw & Atlanta Symphony Orchestra and Leonard Slatkin & St. Louis Symphony Orchestra. Numerous legendary recordings came as a result of these relationships.
