TOURIST TRAP: VHS RETRO BIG BOX COLLECTION [BLU-RAY + DVD]

FALL BLUES BERRY BASH!

Give thanks for the first-ever Family-authorized documentary on the iconic **CHUCK BERRY**, with the DVD and Blu-ray release of **THE ORIGINAL KING OF ROCK 'N' ROLL!** Tracing the history of one of music's true legends, the film also features the first in-depth interview with Chuck's wife Themetta, long silenced during Chuck's life. See the reasons revealed! Features interviews hail, hail, hailing Chuck, from the **Beatles** to the **Stones**, from **Elvis** to **ELO**.

Let legendary axe master **DUKE ROBILLARD** be your host for a blues party with his new CD **BLUES BASH (Stony Plain Records.)** Listen as he ignites a Roomful of Blues! Blues with soul!

DELTA RAE - COMING HOME TO CAROLINA is a three disc concert DVD/Blu-ray/CD heralding this eclectic alt-country group. **Delta Rae** have flown high on the charts, now willingly returned to their earthy roots. See the whole story unfold.

The reflective drama **CINEMA PARADISO** is a highlight of our movie reel this month, with an Arrow Video 4K/UHD, DVD and Blu-ray version of the film, with new cover art and features. Rising from the dark depths of the Florida Everglades are assorted human jellyfish, killer sharks and living mummies—all featured in **HE CAME FROM THE SWAMP: THE WILLIAM GREFFE COLLECTION**, a 4 disc Blu-ray, with a sea of extras! More Arrow sure-shots are the ecological Sci-Fi thriller **SILENT RUNNING** and 'standard' editions of horror compilations **AMERICAN HORROR PROJECT VOL. 1** and **THE HERSHELL GORDON LEWIS FEAST**. Real life horror inspired the 1971 dramatization of the film **OTHER SIDE OF MADNESS**. Based on the Manson murders. Stand-alone DVD and Blu-ray with bonus CD of Charlie's Greatest Hits included!

No matter how you slice it, **MVD** November offers up some tasty fruit!

MVD WELCOMES DIW (pg 11) & PRAVDA RECORDS (pg 36-37) WITH SALES!

Alpha Hopper - Alpha Hex Index Vinyl

Alpha Hopper creates a frenetic stew of guitar-driven rock with elements from punk, hardcore, noise rock, and no-wave.

Formed in Buffalo, New York in 2014, Alpha Hopper creates a frenetic stew of guitar-driven rock with ingredients from punk, hardcore, noise rock, and no-wave. Their 3rd LP "ALPHA HEX INDEX" shows them deeper than ever down their rabbit hole. Sassy, snotty vocals punctuating the ever growing wall of catchy, bizarre riffs and prison break drum beats. Dummy math, noise-rock for art-punk drop outs.

Barefoot Movement - Rise And Fly Vinyl

The first album since 2013 from the group heralded as the future of bluegrass.

Heartfelt, energetic, and down home. Heralded by CMT Edge as "one of the most promising bands on the bluegrass scene," the music of the Nashville based group The Barefoot Movement is as down to earth as their intention for members of their audience: sit back, relax, take your shoes off and stay a while.

Cayucas - Blue Summer Vinyl

A return to musical roots is an honored tradition for many artists who have endured for the better part of a decade.

A return to musical roots is a time-honored tradition for many established artists who have endured for the better part of a decade. The eight tracks also mark the first time Zach will earn a producer credit for a Cayucas album. When it came time to title the record, only one phrase seemed to capture the mood correctly. "The album is called "Blue Summer".

El Shirota - Tiempos Raros Vinyl

Tiempos Raros is an impressive collection of 90s-inspired alt rock that sounds both fresh and delightfully retro.

Tiempos Raros is an impressive collection of 90s-inspired alternative rock that sounds both fresh and new and delightfully retro. Lead single "Más de una vez" burns brightly, the sound of a summer's day with the radio blasting. It's no surprise, then, that the song has become a popular request on the esteemed international radio station KEXP.

Entartung - Maleficae Artes Vinyl

The New Album on noble Vinyl! Classic Black Metal from Germany in the cold spirit of the 90s !!!

After three long years, Entartung finally returns from the ominous shadows to which they silently retreated after the release of their prior opus, "Baptised into the Faith of Lust". It is fitting that, in a new age of plague and pestilence, their newest album "Maleficae Artes" (Lat. "Dark Arts") is unleashed upon the world.

The Flat Five - Another World Vinyl

Their second album of twisted sunshine pop - "Another World" comes out on Friday November 13th, 2020 on Pravda Records

No doubt about it, The Flat Five's focus is harmony. Hardcore junkies for a vocal buzz, they share a vast range of influences from The Free Design to The Three Degrees to Captain Beefheart. The charms of this band are manifest. From the laid-back simple to the oddly romantic to the slightly subversive, a heart of wide-eyed sweetness colors their music.

Iggy and the Stooges - Metallic K.O. Vinyl

The notorious, riotous "Last ever Iggy & The Stooges show" - 'you can hear beer bottles breaking on guitar strings!'

The memorable recording of Iggy & the Stooges confrontational last live gig. They had been quiet since '73's 'Raw Power', and the sound of kamikaze Iggy dodging eggs and glasses whilst taunting Hell's Angels found a new audience in the emerging 1976 punk crowd. It defined Iggy as a punk originator and at the time, become the Stooges best-selling album. Black vinyl edition with inner bag.

Jeremy Inkel - Hijacker Vinyl

The incredible posthumous solo album from Front Line Assembly-member Jeremy Inkel

Hijacker is an album that celebrates Jeremy Inkel's life. It's an album of hard-hitting EBM and techno grooves and industrial dancefloor experiments. But it's also an album about late-night work. It's about life on the road and life in back-stages, about life in small towns and love in big towns. Hijacker shows its influences: acid techno looms large, as does early WaxTrax dancefloor 12" records.

Karrie With Jimmy Smyth - Home Thoughts Vinyl

On 'Home Thoughts' Karrie with Jimmy Smyth transform well-known songs into into beautiful stripped-down folk.

The idea for 'Home Thoughts' was to record and perform established tunes by their favorite artists: reflecting the Zeitgeist, and using only the 'bare bones' instrumentation, thus highlighting Karrie's remarkable voice. The result is a timeless collection of well-known songs transformed into beautiful stripped-down folk. Karrie already had three top 5 singles in Ireland.

Iggy and the Stooges Metallic K.O.

The notorious, riotous "Last ever Iggy & The Stooges show"

'METALLIC K.O.' is the remarkable album of Iggy & The Stooges confrontational 'last ever gig' (until their reunion almost 30 years later). Effectively the fourth Stooges album with then brand new and unheard songs, it was released in 1976 three years after 'Raw Power' while Iggy was in limbo. Soon after the gig Iggy checked into a mental hospital.

The sound of kamikaze Iggy provocatively abusing his audience and then dodging eggs and bottles thrown by a biker gang enhanced Iggy's reputation in the embryonic punk scene as the Punk Godfather. Nothing like it had been heard before. It became a must-have album in the emerging punk scene and out-sold the first three Stooges album.

It is now re-issued on vinyl with the original LP track list - previously it had been extended to a double-CD with the complete 1973 & 1974 shows it was taken from. In the 2007 CD re-mastering, an original tape-speed error was discovered and corrected - so now for the first time on vinyl the album can be heard at the correct pitch.

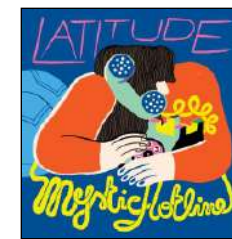

The album contains Iggy Pop's story of the events surrounding the gigs as well as contemporaneous reports from Nick Kent, Giovanni Dadomo and Lester Bangs. An essential album in Iggy's history.

Nick Kent said: 'I'm convinced that side two is a masterpiece' and Lester Bangs said: 'It's the only rock album I know where you can actually hear hurled beer bottles breaking against guitar strings'.

Latitude - Mystic Hotline Vinyl

..."An alternate universe where Brian Eno produced "Rumours" and Alex Chilton wrote songs with Blondie..."

Although often drawing comparisons to such pop heavyweights as Blondie, The Nerves, Nick Lowe, and The Pretenders LATITUDE are far from revivalists, as this album testifies. "Mystic Hotline" reflects the present darker mood of the country, veering from carefree 60s/70s pop into more angsty 80s territory.

Martín Delgado presenta:
La Otra Música x Aire Libre.FM

Blue/Cream vinyl, 2xLP
SKU: DIWMX014 **UPC:** 760137428510 **SRP:** \$21.99

Aire Libre is the premiere powerhouse FM indie station in Mexico City. Martín Delgado, who some refer to as the John Peel of Mexico, hosts a Monday night show, La Otra Música, where he has systematically recorded live sessions from the most touted indie bands in Mexico. This 16 band compilation is a masterfully built release—double color vinyl, deluxe artwork and cover—with a sound that jumps off the record. Limited to 500 copies.

VAYA FUTURO
El Peso Del Mundo

White vinyl, LP
SKU: DIWMX015 **UPC:** 5059435984251
SRP: \$17.99

Vaya Futuro's fourth album addresses themes regarding isolation and trauma. They once again step away from their previous sonic engagements to deliver a wide ranging, multi-layered sonic landscape, and is hands down their best release to date.

'Cinematic...The song's rotund orchestral weight is conveyed with striking string arrangements by Marco Martínez.'

- Billboard -

EL SHIROTA
Tiempos Raros

Red vinyl, LP
SKU: DIWMX007 **UPC:** 5059435463879
SRP: \$17.99

Tiempos Raros is an impressive collection of 90s-inspired alt rock that sounds both fresh and delightfully retro.

'Tiempos Raros is not just a historical bookmark for El Shirotá but also for a scene they were part of, a send-off to an era of music in the underground scene as well as a fresh chapter for the band to write a story on their own.'

- Marcos Hassan, Remezcla -

KILLER WHALE
Tastes Like Yesterday

Pink/blue splattered white vinyl, LP
SKU: DIWMX008 **UPC:** 5059435980277
SRP: \$17.99

Tastes Like Yesterday is the third album from New Orleans-based Killer Whale and their debut for Devil In The Woods. This outing finds frontman Thomas Johnson going all-out with his soulful crooning.

'At once deeply in tune with contemporary sensibilities, dream pop keyboards and harmonies, it also taps into classic '70s soul sounds, culminating in a piece of pop that moves the heart as often as it moves the feet.'

- Jedd Beaudoin, Pop Matters -

OGINALII
Pendulum

White vinyl, 12" EP
SKU: DIWMX017 **UPC:** 760137428411
SRP: \$13.99

The tumult of 2020 fueled the creation of Pendulum, the newest record from Nashville, Tennessee's Oginalii.

'With a psychedelic rock foundation that often borders on sludge and doom metal, Oginalii offer smart compositions and a kind of ardor which feels entirely their own, while their presentation is very often nothing less than engaging.'

- Destroy/Exist -

Twin Tones is a band from Mexico City inspired by the desert landscape and your favorite sprawling Western movies.

Queen - We Will Rock You: In Memory Of Freddie Mercury Vinyl

A journey through the inner world of Queen and, of course, Freddie Mercury.

Only a few singers embodied the pure surplus of the 70s like Mercury and Queen. The British quartet, the exaggerated pompEmbraced by progressive rock and heavy metal as well as the vaudevillian music hall, deepened in campand bombast and produced a huge, pseudo operative sound with complex guitars and over-emphasized vocals.

Tangerine Dream - Sessions II

Live compositions from the E-Live Festival in Oirschot, The Netherlands

THE SESSIONS II EP contains instant live compositions (about 95 minutes of music) from the current Tangerine Dream line-up Thorsten Quaeschning, Ulrich Schnauss and Hoshiko Yamane recorded from the Saturday and Sunday concerts at the E-Live Festival in Oirschot, The Netherlands in October 2017.

In their imperial years of the 1970s, Tangerine Dream's live concerts were an electronic exploration, improvised and different every night, with little or no relationship to their smash hit albums, which were similarly esoteric. As the 1980s dawned, their recorded work contained more recognizable themes and they scored some of the biggest films of the decade.

Now, they are returning in part to those pioneering days, and every show includes a section of improvisation, different every night. The best improvisations are being released as Sessions, and Invisible Hands Music is proud to release them out on deluxe double vinyl mastered at Abbey Road by Miles Showell. An important band at the peak of their powers and a treat for fans of electronic music.

Tangerine Dream - Sessions III

Live compositions from Elbphilharmonie in Hamburg and Synästhesie Festival III at Volksbühne in Berlin

THE SESSIONS III EP contains instant live compositions (about 77 minutes of music) from the current Tangerine Dream line-up Thorsten Quaeschning, Ulrich Schnauss and Hoshiko Yamane. The first track Hanseatic Harbour Lights was recorded from the extraordinary show at the very new classic concert hall Elbphilharmonie in Hamburg, Germany on February 7, 2018. The second track Ost was recorded during their performance at the Synästhesie Festival III at Volksbühne in Berlin.

In their imperial years of the 1970s, Tangerine Dream's live concerts were an electronic exploration, improvised and different every night, with little or no relationship to their smash hit albums, which were similarly esoteric. As the 1980s dawned, their recorded work contained more recognizable themes and they scored some of the biggest films of the decade (*Risky Business, Firestarter, Near Dark, Thief, Sorcerer*).

Now, they are returning in part to those pioneering days, and every show includes a section of improvisation, different every night. The best improvisations are being released as Sessions, and Invisible Hands Music is proud to release them out on deluxe double vinyl mastered at Abbey Road by Miles Showell.

Andreas Vollenweider - Quiet Places

Swiss harpist Andreas Vollenweider is back!

Andreas Vollenweider stands for sold out tours worldwide in auditoriums like Carnegie Hall or Radio City Music Hall in New York, Universal Amphitheater Los Angeles, Palladium in London, NHK Hall in Tokyo or Town Hall in Sydney. 2020: After almost forty years of successful musical creation, Andreas Vollenweider dares to embark on a new, great adventure - his first novel! 450 pages, which will be released in a print edition and digitally as an e-book. It will also be released as an audio book with lots of music, read by Christoph Gaugler. And in addition the album, inspired by the theme of the novel, on CD, vinyl and of course digitally, the first work of a musical trilogy: "Quiet Places". Quiet, contemplative music, subtle, touching and yet powerful and dynamic, with Isabel Gehweiler, cello, and Walter Keiser, drums.

TRACK LISTING: Pygmalion | Polyhymina | The Pyramidians | Entangled | Come to the Quiet Place | Venus in the Mirror | Bella Smiling | Wanderung | Sculpture | Fields of Blue

PRESS

"As a music reviewer, I rarely say it, but 'Quiet Places' is a must. It is easily one of the finest New Age music releases in 2020."

— *New Age Music Guide*

"A delightful set that will bring back memories of how satisfying it was to listen to a well done album all the way through, particularly when it takes you to places out of the ordinary."

— *Midwest Record*

"The performances on the album are nothing short of flawless. That was to be expected. And the improvisations also what we have come to love and admire and even expect. But it is not expectation that accompanies the loveliness of Andreas Vollenweider-it us expectancy. The expectancy that comes from faith from what he has done before and the knowledge that something marvelous is about to happen."

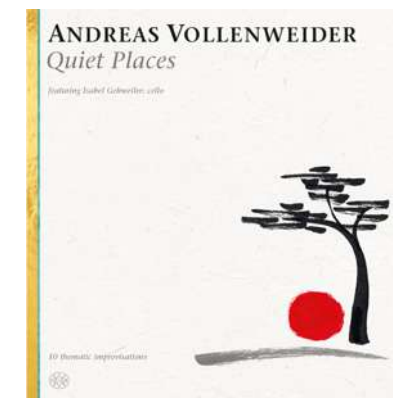

— *The Jazz Owl*

"There is no more subtly captivating musical power than what this beautiful album provides. This highly engaging musical adventure is HIGHLY RECOMMENDED."

— *Contemporary Fusion Reviews*

Alpha Hopper - Alpha Hex Index CD

Alpha Hopper creates a frenetic stew of guitar-driven rock with elements from punk, hardcore, noise rock, and no-wave.

Formed in Buffalo, New York in 2014, Alpha Hopper creates a frenetic stew of guitar-driven rock with ingredients from punk, hardcore, noise rock, and no-wave. Their 3rd LP "ALPHA HEX INDEX" shows them deeper than ever down their rabbit hole. Sassy, snotty vocals punctuating the ever growing wall of catchy, bizarre riffs and prison break drum beats. Dummy math, noise-rock for art-punk drop outs.

Apocryphus - Eternal Suffering CD

Amazing Old School Death Metal for fans of DEATH, PESTILENCE, MORBID ANGEL and BOLT THROWER!

This band, from Peru, is such an amazing discovery. Old school Death Metal bands are all over the place now and mostly worth 2 for a dime... this band's rendition of the classic style is highly influenced by DEATH and PESTILENCE with nods to the good old days of MORBID ANGEL... like something crossing the paths of Spiritual Healing, Altars of Madness and Consuming Impulse... impressive! ENJOY!!!

Arroganz - Morsus CD

Arroganz with their 5th album "Morsus" presenting blackened death metal with impacts of doom metal

ARROGANZ is raging honesty. Real despair. True anger. An attitude beyond "fuck off". A pure will for freedom with its own style and sound - being 100% heavy metal and not giving a shit about any clichés at the same time. Straightforward death metal with cold black metal parts and obscure doom passages are their trademark. ARROGANZ really stand for their own.

Ash Ra Tempel - Gin Rosé CD/DVD

Recorded live at the Royal Festival Hall, London, April 2nd 2000, CD+DVD digipack

Now, and due to the many requests, here it is again - after 20 years, the re-release of the long-awaited live-album "Gin Rosé". Götsching and Schulze blend tradition & vision, and they do not simply reanimate ideas of the 1970ies. The spirit of this unique liaison is reflected in every single note of this still up-to-date concert, showing these 2 musicians playing joyful, familiar and undeterred.

Jac Berrocal & David Fenech - Exterior Lux CD

Third album by French avantgarde supergroup featuring Jac Berrocal, Nurse With Wound collaborator

Jac Berrocal is a musician, poet and film actor who came of age in the '70s Paris improv scene. Inspired by bebop, chanson, free jazz, beat poetry, early rock 'n roll and myriad Eastern influences, and with an anything-goes approach to instrumentation that would later align him with post-punk sensibilities, Berrocal blazed an eccentric trail across the underground throughout the '70s and '80s

Boss Black Rockers Vol 7: Wow Wow Baby CD

28 killer tracks of black Rock and Roll songs from the late 1950 and early 1960s! Volume 7

Dear Cats and Kittens, dig this cool array of killer black Rock and Roll from the "Golden Age" of American music, when black Rhythm and Blues music was suddenly re-named "Rock and Roll" to appeal to a wider white audience in segregated America and became a multi-racial genre in the mid-1950s. Some tunes are pretty well-known but the vast majority are not.

BEAR FAMILY RECORDS
presents

BOBBY BARE SINGS SHEL SILVERSTEIN, PLUS

8-CD Box Set BCD 17570 • UPC 5397 102 175701

- **8 CD box set** with 137 tracks including 25 previously unreleased recordings.
- **Bobby Bare sings** more than a hundred Shel Silverstein songs – incl. 6 complete albums.
- **128-page hardcover book** includes a new interview with Bobby Bare, a detailed discography, and liner notes by Dave Samuelson, plus complete lyrics and many rare and unseen pictures.

Shel Silverstein's enduring contributions to children's literature have largely overshadowed his accomplishments as a cartoonist, playwright, performer and songwriter. He wrote hits like *Sylvia's Mother*, *The Cover Of Rolling Stone* and *A Boy Named Sue* (made famous by Johnny Cash). With their clever lyrics and catchy melodies, Silverstein's songs are a wellspring for both folksingers and country artists.

Bobby Bare had huge, Grammy-winning hits on RCA Victor in the 1960s, with a folk-country sound and songs including *Detroit City* and *500 Miles Away From*

Home. He then started a publishing company, and began recording songs by great songwriters like Tom T. Hall, Kris Kristofferson, and Billy Joe Shaver. When RCA offered him the chance to produce his own works it was the first time in Nashville that a great artist was in charge of his own creative endeavor – which resulted in the Outlaw movement.

This BEAR FAMILY collection gathers classic sides from 1972 - 1983 including benchmark albums from the 1970s and early 1980s like Bare's artistic breakthrough 'Lullabys, Legends And Lies'.

Among Silverstein's wry sagas about winners, losers, and lonely all-night cafés, you'll discover charming children's songs and touching, affectionate love ballads.

Bear Family 45 Years

...as well as several hundred more releases! CDs, DVDs, vinyl LPs and 45s, CD box sets!

The Flat Five - Another World CD

Their second album of twisted sunshine pop - "Another World" comes out on Friday November 13th, 2020 on Pravda Records

No doubt about it, The Flat Five's focus is harmony. Hardcore junkies for a vocal buzz, they share a vast range of influences from The Free Design to The Three Degrees to Captain Beefheart. The charms of this band are manifest. From the laid-back simple to the oddly romantic to the slightly subversive, a heart of wide-eyed sweetness colors their music.

Owen Gray - Singles 1969-1972 CD

Owen Gray's singles on CD for the first time

Owen Gray was the island's first home grown star to sing in a style that wasn't mento, calypso or jazz. Bursting on the scene with a string of hits, repeatedly topping the Jamaican charts, sometimes for months at a time, he's now eighty years of age... not eighty years old, and he has never, ever stopped making marvellous records. Here on CD for the first time are his singles from 1969 to 1972

Veronika Harcsa & Anastasia Razvalyaeva - Debussy Now! CD

"There is no theory. You have only to listen. Pleasure is the law" Debussy

"There is no theory. You have only to listen. Pleasure is the law" - explained Debussy. The same principle served as the benchmark for Anastasia Razvalyaeva, Veronika Harcsa, and Márton Fenyvesi for creating Debussy NOW! The sovereignty of Debussy's songs and their personal quality that seemingly contradicts it propelled the artists to find new sets of skills.

Jeremy Inkel - Hijacker CD

The incredible posthumous solo album from Front Line Assembly-member Jeremy Inkel, pressed on limited black vinyl

Hijacker is an album that celebrates Jeremy Inkel's life. It's an album of hard-hitting EBM and techno grooves and industrial dancefloor experiments. But it's also an album about late-night work. It's about life on the road and life in back-stages, about life in small towns and love in big towns. Hijacker shows its influences: acid techno looms large, as does early WaxTrax dancefloor 12" records.

Karrie With Jimmy Smyth - Home Thoughts CD

On 'Home Thoughts' Karrie with Jimmy Smyth transform well-known songs into beautiful stripped-down folk. The idea for 'Home Thoughts' was to record and perform established tunes by their favorite artists: reflecting the Zeitgeist, and using only the 'bare bones' instrumentation, thus highlighting Karrie's remarkable voice. The result is a timeless collection of well-known songs transformed into beautiful stripped-down folk. Karrie already had three top 5 singles in Ireland.

Dave Kelly - Solo Performances: Live In Germany 1986 To 1989 CD

Kelly sets the standards. He is a blues craftsman - a journeyman who has served his time with the best. This double CD captured the most beautiful moments and shows the variety of this British Blues Icon, from Folk, Blues, Traditional over Rock'n'Roll, Beat to Country Songs, but never without his typical Blues touch in an "Unplugged" concert situation. Dave Kelly shows an outstanding guitar playing offering his listeners an atmospheric sound of his "Blues World".

DUKE ROBILLARD & FRIENDS

BLUES BASH!

Release Date:
November 20th, 2020

"Nothing fancy, just the good old blues." - Duke Robillard

Duke Robillard has defined himself as not merely a great artist, but also a true historian, scholar and curator who is adept at electric and acoustic blues, jazz, jump, swing, ballads and standards. Grammy-nominated and a five-time winner of the Blues Award, over his 50 plus year career Duke has been a prolific songwriter and is considered a blues guitar master. Duke continues to be a sought after side-man and featured guest.

Duke has admitted that his concept for this album was to make a straight vintage style blues album: danceable rhythms, no hook-laden songs... basically a blues party album. As always, the music is impeccable, classy and powerful. Two stellar horn sections, searing guitar and organ solos, boogie woogie piano and guest vocalists Chris Cote and Michelle Willson. Duke is in his element here, displaying his authority, versatility, passion and virtuosity. Not only is Blues Bash the kind of album that made so many blues fans fall in love with Duke's music, it's a career highlight from one of the world's best.

PIG - Pain Is God CD

Fourteen tracks of pure swine and swagger, Pain is God by is here to save your skin from the wages of Sin

Raymond Watts, Sacred Saint of All Seven Sins, has delivered a new divine declaration - and so sayeth unto the masses - Pain is God. Fourteen tracks of pure swine and swagger. Pain is God is an Exegesis of Excesses - glitches and guitar, allure and libido, danceable decadence. Pain is God is the weaponized word of our libertine Lord of Lard, here to save your skin from the wages of Sin.

Ron Carter & Renee Rosnes - Foursight: Stockholm, Vol. 2

Vol. 2 completes a great night in Sweden!

Ron Carter, Renee Rosnes, Jimmy Green and Payton Crossley finish the music magic we experienced on Foursight: Stockholm, Vol. 1 "Live" at the Stockholm jazz club "Fasching"!

"What a mood, what an atmosphere! It's hard to believe that this actually took place on November 17, 2018! We listen to a jazz concert that sounds like it was recorded in the last millennium at Minton's Playhouse in New York, or perhaps in Birdland or Village Vanguard: euphoric, unique, unrepeatable, because on evenings like this everything simply fits together, the signs are favorable, the musicians really enjoy playing and the audience pushes them constantly to the absolute limit. It is not even possible to predict when such will even be possible again in the future..."

If you want to decipher the secret of this legend, the two audio documents from the Swedish jazz club provide valuable insights. Following "Stockholm Vol. 1" (IOR CD77139-2), the second part "Stockholm Vol. 2" is being released. A late work full of maturity, natural authority of numerous surprises without subsequent corrections or edits. Carter and the Foursight Quartet operate at a different intensity level compared to their predecessor volume. "595" and "Mr. Bow Tie" (and later the reprise), two shimmering compositions by the clever gentleman, obtain a feather-light, elegant tang here. With "Flamenco Sketches" by Carter's former partner, friend and "boss" Miles Davis, he transposes one of his best-known songs into his vocabulary. Then the passionate motorist sends "You Are My Sunshine" onto the music highway with the help of Jimmy Green and dims the light in a fascinating way along with Renee Rosnes in Miles' favorite piece "My Funny Valentine". Each song is a tribute without specific addressees, a message to many friends, wives and men, strangers, all those who are no longer on the earthly stage, "who left the concert early..."

Quadro Nuevo - Mare CD

The Mediterranean lightness of being - Music from the sea A sea full of dreams

Put on the sunglasses, listen to this music - and the trivial gone yesterday in the distance. MARE is the noise of waves that has become music. MARE is the southern sea breeze that has always inspired the imagination of Central Europeans. MARE shines in all the beguiling sounds of a longed-for paradise and smells of dolce vita, ripe lemons and yellow bikinis.

Rockin Schlager Party 1 CD

32 Rock and Roll songs sung in German. More than 77 minutes of German Rock and Roll culture of the 1950s and 1960s.

Schlager translated means "pop songs" and in this context Rock 'n' Roll music which was recorded in the 1950s through to the early 1960s. Most certainly for many people, this will be a new musical experience through which you will hear familiar songs performed in the German language and many highly comparable original recordings.

Scott Routenberg - [Inside] CD

Vivid soundscapes that fulfill dreams of exploring the world as it once was - inspiring music from award winning composer!

The musical product of Routenberg's lengthy quarantine during the pandemic of 2020. He longed to get out of the house and explore the world as it once was. This desire led him to create vivid soundscapes that fulfilled those dreams, all from the seclusion of his home studio. As the journey unfolds, a gradual shift from light to dark mirrors the awe-inspiring trials and tribulations of strange days.

Jenna Sherry & Dániel Lőwenberg - Sonatas For Violin And Piano CD

These intimate and nostalgic sonatas bid farewell to the rich musical legacy of late Romanticism

US violinist Jenna Sherry and Hungarian pianist Dániel Lőwenberg perform Brahms's two late sonatas and Ernő Dohnányi's violin-piano sonata. Brahms's late style was the musical mother tongue of the young Dohnányi. In their own different ways, these intimate and nostalgic sonatas all bid farewell to the rich musical legacy of late Romanticism at the turn of the 20th century in „blissful peacetime“

Sickle Of Dust - To The Shores Of Sunrise CD

This sounds like black metal played in a symphony hall. Incredibly rich production, superb job of mixing & mastering!

Symphonic and atmospheric black metal can either become a fantastic journey into dark dreamlands. While the first three tracks are similar-sounding, the final "To the Shores of Sunrise" is surprisingly different and absolutely beautiful, as it features folkloristic female vocals instead of screams and a thrilling song structure.

Solarstone - Island CD

'island' started with a thought, which was part of March and April's global realisation that this summer was to be unlike any other. The cornerstone for most in hot season revolves around a trip - often to an island and of course for many, one isle in particular. So Solarstone wrote something for those that would have to dream or recall. The holiday literally reimagined.

Sole Syndicate - Last Days Of Eden CD

It's a catchy, intriguing and very well-crafted melodic heavy metal paradise, indeed!

Growing up all together and listening to the most famous melodic hard rock and heavy metal bands of the 80's, the five musicians of this uprising Swedish band managed to revitalize the genre. Sole Syndicate's style can be described as classic hard'n/heavy with strong and catchy melodies (pop and country music are part of the foundation of their songwriting too).

Soundspaces - Soundspaces CD

Expressivity and richness of association. The works on this recording tell their own stories.

The name is programmatic: Apart from the instrumental sounds, electronics are an essential factor, forcing both instrumentalists to expand their playing techniques to extremes and to unfold their "sound" anew in each piece, in productive interplay between natural and synthetic sound generation. Expressivity and richness of association. The works on this recording tell their own stories.

MVD WELCOMES PRAVDA RECORDS

The origins of Pravda Records goes back to 1994 while Kenn Goodman was attending college at Northern IL University. The first release was a 5 song cassette by The Service that the band distributed via touring. Vinyl records followed that release and a full blown label emerged from an apartment in Chicago with worldwide distribution and bands from around the world. The very diverse catalog has mirrored Kenn's diverse tastes in music and includes Indie rock, experimental, soul, R&B, blues, pop, novelty, and reissues. Each release has its own sound and personality that encompasses Pravda's philosophy of diversity and imagination.

Trip 6 - Spit CD

Trip 6 is a five piece hard rock/metal band out of Chicago, Illinois. Forming from the ashes of a band once known as Vulgar, drummer and founding member "Vulgar" Vic Pedraza, with bassist Kevin Munster and lead axeman Sam Mustafalic, amped up the lineup with additional guitarist Al Amey in late 2017. Scouring Chicagoland for a vocalist in early 2018 yielded frontman Nate DeVan as the man.

The Uptones - Get Outta My Way CD

In California's Bay Area, the Uptones were the leading light of the mid-'80s ska eruption.

In California's Bay Area, the Uptones were the leading light of the mid-'80s ska eruption. Formed while the members were still at high school, the Uptones were an almost exclusively live experience, releasing only one record in their own lifetime. Their impact upon the evolving ska scene was enormous. Breathtaking in vision, a seminal act for ska and light years ahead of their time.

Bobby Wiens - Talking Drums CD

Drummer Bobby Wien's debut album is a well-balanced mix of jazz "classics" and forward-thinking original works.

In Talking Drums, Bobby Wiens presents a record steeped in pure swing, dynamic group interplay and exploration of the the sonic and textural boundaries of the classic jazz quintet. As is the case with many great artists, you can sense the marriage between tradition and innovation as they are inextricably linked within the works presented here.

PIG - Pain Is God

Fourteen tracks of pure swine and swagger, Pain is God by is here to save your skin from the wages of Sin

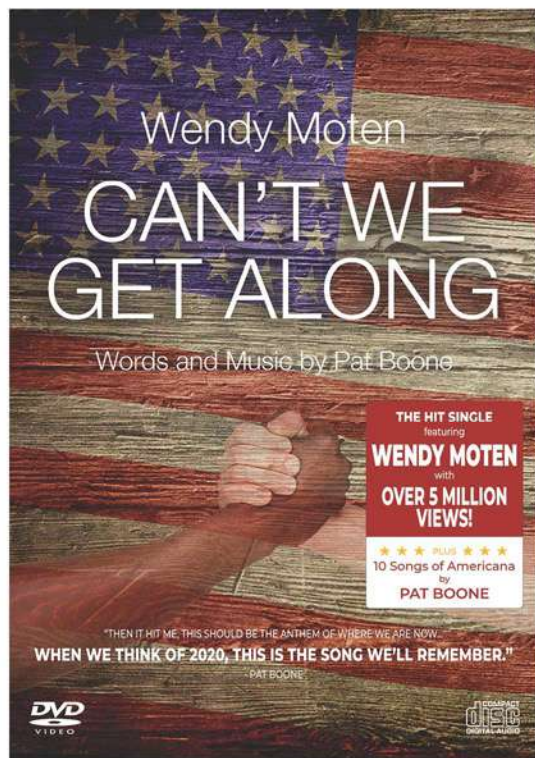

Raymond Watts, Sacred Saint of All Seven Sins, has delivered a new divine declaration - and so sayeth unto the masses - Pain is God. Fourteen tracks of pure swine and swagger. Pain is God is an Exegesis of Excesses - glitches and guitar, allure and libido, danceable decadence. Pain is God is the weaponized word of our libertine Lord of Lard, here to save your skin from the wages of Sin.

OVER 5 MILLION VIEWS!

It was 1991 when Rodney King was badly beaten by the police. That sparked the L.A. riots. When he came out of the hospital, instead of saying something inflammatory that could have sparked more rioting, he was calling for understanding and communication.

I said, "that's what we need!" I wrote CAN'T WE GET ALONG then, and it laid around for 30 years until about three months ago. The L.A. riots were really about the kind of thing that's been happening all over the country now, and the words to my song still resonate with the protests taking place nationwide in the wake of the killing of George Floyd in Minneapolis earlier this year.

Then it hit me, CAN'T WE GET ALONG should be the anthem of where we are now!

When we think of 2020, this is the song we'll remember.

Ash Ra Tempel - Gin Rosé CD/DVD

Recorded live at the Royal Festival Hall, London, April 2nd 2000, CD+DVD digipack

Now, and due to the many requests, here it is again - after 20 years, the re-release of the long-awaited live-album "Gin Rosé". Göttsching and Schulze blend tradition & vision, and they do not simply reanimate ideas of the 1970ies. The spirit of this unique liaison is reflected in every single note of this still up-to-date concert, showing these 2 musicians playing joyful, familiar and undeterred.

American Horror Project Vol 1 Blu-ray Disc

A collection of American horror from the fringes of the genre either through lack of availability or sheer obscurity.

Everyone knows the classic American horror films. Night of the Living Dead, The Texas Chain Saw Massacre and A Nightmare on Elm Street, to name but a few. But we want to tell you a different story: a story of the unsung heroes of stars-and-stripes terror, films that have remained on the fringes of the genre. This is where American Horror Project comes in.

Delta Rae Coming Home To Carolina

Earthy, familial alt-pop outfit Delta Rae skillfully juggle gospel-tinged country-rock, sensual blue-eyed soul, and harmony-laden Americana, resulting in an infectious, radio-ready sound. Formed in 2009 as a four-piece around the talents of siblings Ian, Eric, and Brittany Hölljes, along with Elizabeth Hopkins, the North Carolina-based band expanded to a sextet the following year with the additions of Mike McKee and Grant Emerson. This electrifying concert film, "Coming Home To Carolina" was filmed with fourteen 4K Ultra Hi Def Cameras, before hometown fans in Raleigh, North Carolina, during their final shows one week before Christmas, from their highly successful 2019 sold out "Take Me There" Tour, that features some of the bands biggest hits including "Take Me There", "Down By The River", "Dance In The Graveyard" interspersed with scenic performance scenes at Raleigh River.

CHUCK BERRY

THE ORIGINAL KING OF ROCK 'N' ROLL

In this highly anticipated, Official Fully Authorized feature documentary, the absolute instigator of Rock and Roll, **CHUCK BERRY** is truly revealed, with exclusive access, including first ever, contributions from Mrs. Berry and the Berry family.

Despite his iconic status, and reverence for his talent by rock's heroes **John Lennon, Bruce Springsteen, Keith Richards, Steve Van Zandt, Joe Perry, Alice Cooper**, all featured, Chuck Berry was at heart, a family man. He was a prolific craftsman of word and chords; an undisputed and stunning combination of talent and charisma. Award-winning film maker Jon Brewer (*BB King: The Life of Riley, Nat King Cole: Afraid of the Dark*) lends new insight to the man known as the **Father of Rock n Roll** in new and exclusive interviews, exclusive access photos and footage of **Chuck Berry, The Beatles, The Rolling Stones, ELO, Elvis Presley, Jerry Lee Lewis, Bo Diddley and Etta James**.

Aside from celebrating the gift of Chuck Berry's music and vision to Americana and indeed Rock N Roll as a yet to be discovered genre, he had an immensely misunderstood story and this documentary film gives viewers the opportunity to appreciate the vast acatalogue of music alongside the inside account from his family and contemporaries, lending new insight to a magnificent character who had to tolerate life as a wealthy black man in 1960's America.

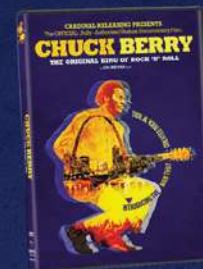

- The first-ever, exclusive access interview with Mrs. Themetta Berry
- Includes the much-loved Chuck Berry hit songs
- Bonus features include interviews with Alice Cooper, Charles Berry Jr., Nils Lofgren, Gene Simmons and Johnny Rivers and many more

“Honours the pioneering rock star through conversations with his peers and family members.”

Daniel Ong, *Guitar.com*

“Berry's life has never been covered onscreen. That changes with Chuck Berry, a film directed and produced by Jon Brewer”

Patrick Doyle, *Rolling Stone*

Wendy Moten & Pat Boone - Can't We Get Along DVD/CD

When we think of 2020, Pat Boone's CAN'T WE GET ALONG is the song we'll remember.

The 1991 Rodney King beating sparked the L.A. riots. When he came out of the hospital, instead of saying something inflammatory, he was calling for understanding. I said, "That's what we need!" and wrote CAN'T WE GET ALONG. It laid around for almost 30 years, then it hit me, this should be the anthem of where we are now! When we think of 2020, this is the song we'll remember. -Pat Boone

PRESS

"A beguiling central performance and a near-numinous belief in the transformative power of music are the highlights of this modest yet perfectly formed French-language drama about the origins of synthesizer pop"

— *The Times*

"As electronic music ages and develops, more moves are being made to look into the cultural history that initially bred it. [...] The film aims to shine a light on the under-appreciated and somewhat forgotten female pioneers of electronic music."

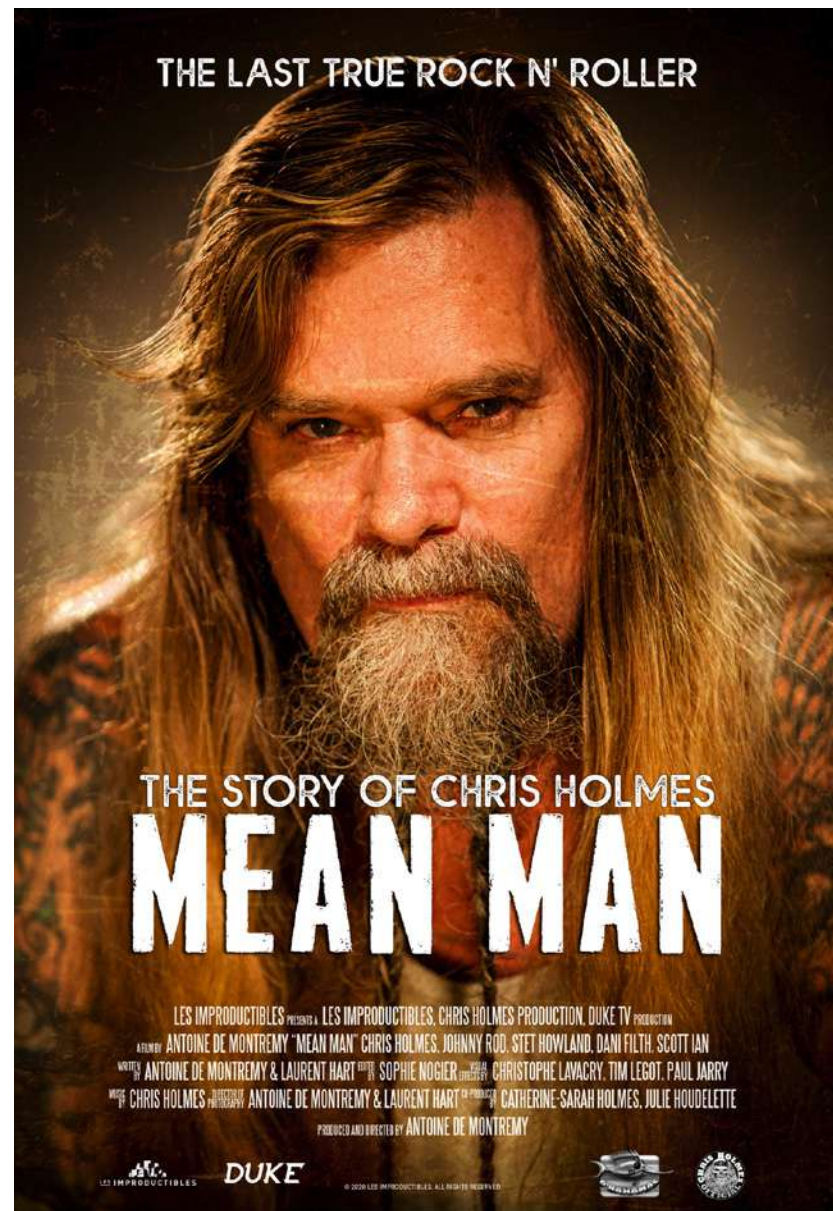

— *Mixmag*

"Explores the thrilling possibilities of electronic music in a drama with a timely feminist slant"

— *The Guardian*

Kaiju Clash Double Feature: Reigo And Raiga
Mankind will fall!

REIGO: KING OF THE SEA MONSTERS: The battleship Yamato, the largest and strongest of its time, is on patrol when a lookout spots a massive shape half-submerged in the distance. Believing it to be an enemy submarine, they fire and score a direct hit. But they are shocked when the object emits a strange cry as it sinks beneath the waves. Soon after, something much bigger arrives, the massive kaiju Reigo, seething with rage at the murder of its cub. The monster attacks the Combined Fleet with incredible ferocity and awesome destructive power. The naval forces are caught off guard, and Reigo is able to destroy the escort ships and damage the Yamato before returning to the ocean depths. Now the stage is set for a final battle to unfold between the world's largest battleship and the mysterious dragon-like monster - who will prevail?

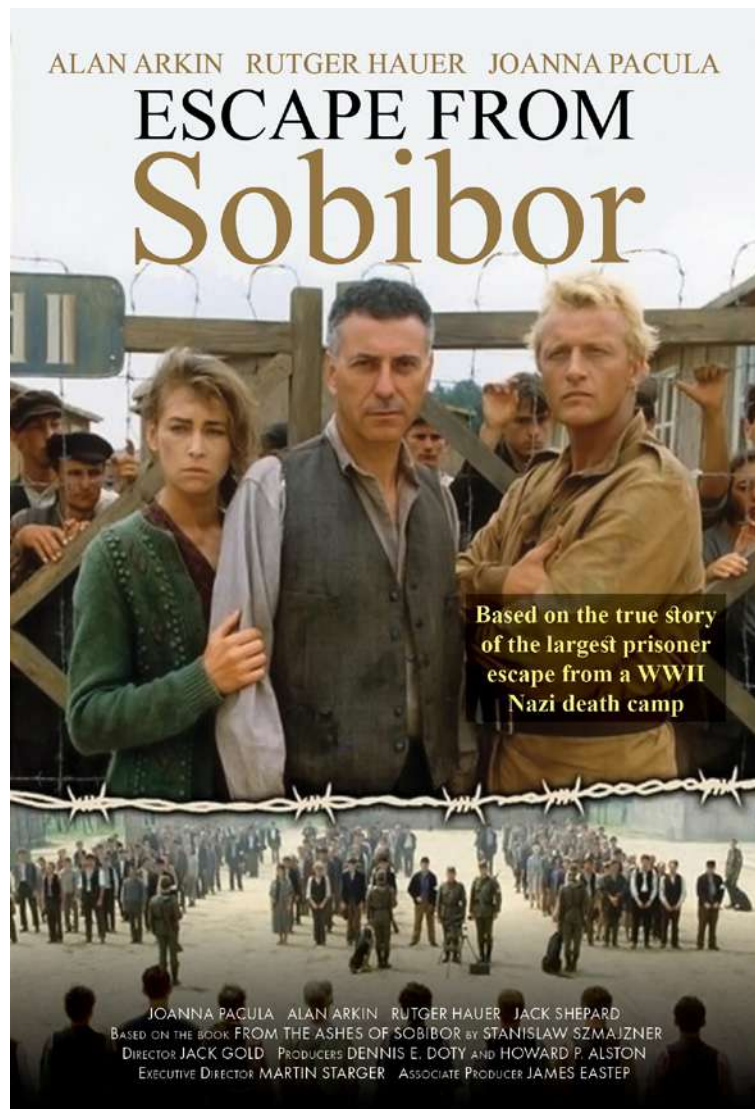

RAIGA: GOD OF THE MONSTERS: Global warming leads to excessive melting of the southern polar ice cap, disrupting Earth's ecosystem. The receding ice brings long dormant ancient sea creatures back to life, monsters that set their sights on Japan. Among the kaiju is an enormous sea beast the locals refer to as the legendary Raiga. The monster attacks the city of Asakusa, bringing death and destruction as he tramples building and lays waste to the military. Can Raiga be stopped, or will all of Japan be destroyed by his fury?

Escape From Sobibor

Imprisoned in a hellish concentration camp, their only hope was to escape
Based on a true story

During World War II, the death camp at Treblinka had an escape, causing the Commandant at Sobibor to vow that his camp would never experience the same thing. But those who were its captives, the Jewish laborers who had been spared from the ovens, knew they were on borrowed time, that their only hope was to escape. But how to do it? Based on a factual account of what happened at Sobibor.

TORCHED

Deanna, a young, pretty and upwardly mobile nurse is about to face the most difficult challenge of her life... deciding whether five men should live or die. In a moment which would change her life forever, Deanna is brutally raped but the pain she suffered is nothing compared to that which her five suspects are about to endure. Do the men deserve the punishment she inflicts upon them, or the death they will soon desire? Only Deanna will decide who will survive and who gets Torched.

Loco

An intense new drug, appropriately named Loco, has invaded the streets of LA. It's sublime and super addictive and everybody wants a hit. When his life takes a sudden dark turn, brilliant and broken 22-year-old Alex Chesler finds himself an apprentice drug cook to Loco's inventor, Lester Skaggs. With the help of two other young followers, Lydia and Jason, Lester ruthlessly expands his distribution network. Rival drug king pin Talome, and his gang of violent thugs, are determined to find Lester's drug kitchen and steal the formula. Lester's three young partners in crime quickly learn that they are in way over their heads. Alex and Lydia, who have fallen in love, decide to get out from under Lester's control and hopefully escape with their lives. Enter DEA agent, John Delaney. He arrests Alex, offering him immunity in exchange for Lester. During the interrogation, Alex adamantly defends Lester, until Delaney convinces him that Lester may not be his friend. What follows is an intricate cat and mouse game between Detective Delaney and Lester and Talome, in which Alex is an unwitting pawn. A fantastic twist in the climatic scenes reveals that nothing about Lester or Loco is what it seems to be.

The Wrecking Crew CD

Deluxe 4 CD box set featuring many of the biggest hits that the Wrecking Crew played on for numerous artists/bands

The Wrecking Crew was the "house" band for West Coast Pop/Rock hits from the U.S. in the mid-60s. The combined fire-power of these studio giants performed on countless hits helping fuel tens of millions of dollars in single and album sales. If you listened to songs by The Beach Boys, Glen Campbell, The Fifth Dimension, The Mamas & The Papas, The Turtles, The Monkees and scores of other bands.
