With legendary guitarist **Mark Farner**, where you are going is closer to home with his (red vinyl) LP and CD **CLOSER TO MY HOME**. Brand new music from the ex-Grand Funk principal songwriter and front man. New songs and a reprise of the classic 'I'm Your Captain (Closer to Home.)' Mark Farner has never stopped delivering the Funk and the Rock 'N Roll soul. From Righteous Rock Records, and with this record, it truly is.

Equally righteous are the **Sun Ra Arkestra**, with the multiple color variant LP and CD **LIGHTS ON A SATELLITE**. On the occasion of bandleader **Marshall Allen** 100th birthday, 24 musicians, conducted by Allen, gathered to present Sun Ra's music's signature groove right into the heart of swing. Cosmic and spacy jazz. Sun Ra beaming proudly from Saturn.

Jazz of a smoother nature is exemplified with vocal stylist **Al Jarreau** with his live LP and CD **AL JARREAU & NDR BAND 'ELLINGTON.'** Recorded just months before Jarreau's passing in 2017, this live recording showcases Jarreau's stunning vocal artistry intertwined with Duke Ellington's timeless compositions.

MVD is releasing complete video performances from the 1982-1983 US Festivals, held in California. This month watch the **B52s** Dance This Mess Around with the bluray **LIVE AT THE US FESTIVAL**. A holiday music classic is back this year, the 1951 version of **A CHRISTMAS CAROL**. Available on colorized DVD, DVD and Blu-ray/DVD combo. A humbug-dinger!

Let's not forget Halloween, and let's not forget **ELVIRA: MISTRESS OF THE DARK** has never been available on 4K-until now. **Arrow Video** has several bonus content treats in the limited edition starring the Halloween Hostess. Volume 3 of the **SHAWSCOPE** box set series comes this month, compiling classics from the legendary Martial Arts studio. This limited edition 10 disc bluray box of 14 films includes the iconic **ONE- ARMED SWORDSMAN** trilogy. The martial arts catalog for **88 FILMS** expands with **MAGNIFICENT BODYGUARDS**, a 3D/bluray pack that has Jackie Chan jump out of the screen in the first Hong Kong movie shot in 3D. It's CHAN-tastic!

# CLOSER TO MY HOME

★ THE NEW ALBUM BY ★

# MARK FARNER

Features the  
**55th ANNIVERSARY**  
**RE-RECORD** of the **ICONIC #1 HIT**  
*I'm Your Captain (Closer To Home)*

"Closer to My Home" is the long-awaited, new nine-song album from legendary guitarist and singer/songwriter Mark Farner. Bridging past and present, the grit of industry and the calloused hard work of a rural man, "Closer to My Home" champions Farner's multi-faceted artistry. Celebrating the 55th anniversary of the iconic hit "I'm Your Captain" Closer To My Home" the album is highlighted with a re-record, finding Farner in exactly the same form as 1970.

From the rebellious "Anymore" to the endearing "Darlin'" and to the defiant "Same Game" Farner's journey as one of rock's statesman is undeniable. "Façade," "Friends For Forever," "Real," "Tiny Fingers" Farner's journey has always called him towards love and light. He collaborated with Jim Peterik (The Ides of March, Survivor) on "Friends Forever". Mark enlisted his friend, the multi-platinum rocker Mark Slaughter, to produce "Closer To My Home". Farner co-produced. Slaughter also co-wrote the track "Anymore".

"These songs are honest and from my heart," Farner said. "The collaboration with Jim (Peterik) and Mark (Slaughter) came from a place of trust and that makes the whole experience so much more rewarding as songwriters. The audience can feel that and these songs reflect those very human moments that you can't find creating a song from a computer."

"Closer to My Home" comes from the idea that love is at the heart of all that I do, and music is my home."  
"Closer to My Home" is on Righteous Rock Records and is distributed by MVD Entertainment Group.

### Robert Gordon - Robert Gordon And The Di Maggio Connection CD

If the claim "best live Gordon album of the 21st Century" sounds hyperbole, hearing is believing! This disc cracks, both sonically and artistically.

Sixteen great tracks played with vigor and intensity by Robert and the best backing band he has ever had in Europe, the Di Maggio Connection with the fabulous Marco Di Maggio on Guitar and the tight, agile and forceful rhythm section of Matteo Giannetti on Bass and Marco Barsanti on Drums. These guys know what they are doing and they do it utterly well.

# NIGHT OF THE BLOOD BEAST

With a **NEW HD PRINT** of

# ATTACK OF THE GIANT LEECHES

**NO ONE IS SAFE WHILE THESE GROTESQUE HORRORS ROAM THE LAND!**

Executive producer Roger Corman unleashes hideous aqua beasts and horrors from outer space in two of his most memorable thrillers. A mutant stalks the Earth when the body of a dead astronaut is used as an alien incubator in *Night of the Blood Beast* (1959). Equally revolting is *Attack of the Giant Leeches* (1958), which stars B-movie siren Yvette Vickers (*Attack of the 50-Foot Woman*) in a watery scare fest about massive, bloodsucking monsters. The two features were directed by Bernard Kowalski who went on to be Emmy-nominated for his television work, but they are truly representative of Corman's world: cheap, tasteless, and extraordinarily fun!

## BONUS FEATURES

- Includes 8mm version of *Night of the Blood Beast*
- Feature-length commentary tracks by Tom Weaver and 'The Weaver Players' for both films
- Full-color booklet insert with an original essay by Tom Weaver
- Re-cut trailers for both films using restored archival film elements
- *Night of the Blood Beast* comparison video showing the impact of restoration

### PRESS

"HOLLYWOOD 90028 is one of the greatest films ever made about how truly brutal Hollywood's dream factory can be on those whose dreams don't come true -- the final shot of the movie is stunning."

—Jim Hemphill, *IndieWire*

"Part indie arthouse, part grindhouse and part historical travelogue of a now-vanished Los Angeles. Cursed with being decades ahead of its time, HOLLYWOOD 90028, Christina Hornisher's sole feature film, is a must-see."

—Sean Baker, *director of TANGERINE and ANORA*

"Somewhere between art film and exploitation. A bizarre, lost, and lonely low-budget time capsule of Los Angeles with a final shot that needs to be seen to be believed."
