ROCKERS (COLLECTOR'S EDITION) [BLU-RAY]

DREAD NOT, hardcore rockers!

MVD has got you awash in both in November! Chaotic with great releases as MVD usually are, this month we are literally **WIRED FOR CHAOS!** Which is the title of a new DVD/Bluray combo pack featuring Cro Mags founder and Father of NYC Hardcore **Harley Flanagan!** A punk prodigy at age 11, **WIRED FOR CHAOS** tracks the extraordinary life of Harley, with his own observations surviving drugs, violence, living on the streets and rising above that madness to become legend. Anthony Bourdain, Michael Imperioli, Flea and Henry Rollins testify. A gut-wrenching homage to the human spirit rising from the ashes, relatable to everyone.

And dread not indeed, as MVD puts a sheen on the Jamaican classic **ROCKERS** in a new 4K/Bluray and standalone Bluray feature. Reggae drummer's bike gets stolen on his record distribution (!) job, resulting in chaos in tracking down the corrupt elite exploiting their community. Stars Leroy "Horsemouth" Wallace, with appearances by reggae stars Burning Spear, Dillinger, Gregory Isaacs and more. Reggae, politics and revenge-straight from Yard!

Bringing the musical thunder, we have none other than the **FABULOUS THUNDERBIRDS: THE JIMMIE VAUGHAN YEARS** collector's edition box set, 4 discs of from 1978-1989. Housed in a deluxe hardback book, these CDs trace their blues history with Vaughan, including a 'lost' 1978 session with legendary singer/songwriter Doc Pomus. T-Birds singer **KIM WILSON** also has a deep blues CD set with **SLOW BURN**, where the brilliant singer/harmonica virtuoso covers Howlin' Wolf, B.B. King and Sonny Boy Williamson. The fabled New York Dolls guitarist **JOHNNY THUNDERS** also has some crackling new releases, a first time ever color vinyl version of **GANG WAR**, the short-lived collaboration with MC5 guitarist **WAYNE KRAMER**, and an update of 1985's **QUE SERA SERA** release, on color vinyl and CD.

Changing the climate to movies, Arrow Video unveils **THE MASK** on limited edition 4K. Jim Carrey stars as a bank clerk transformed into superhero by donning an ancient mask. He gets what he wants, and so will you with 'one of the most iconic comedy films of the 1990s!' Other out-of-this-World offerings from Arrow include **RED PLANET**, a Sci-Fi thriller starring Terence Stamp and **OUTLAND**, another spaced-out Sci-Fi 4K starring Sean Connery and Peter Boyle.

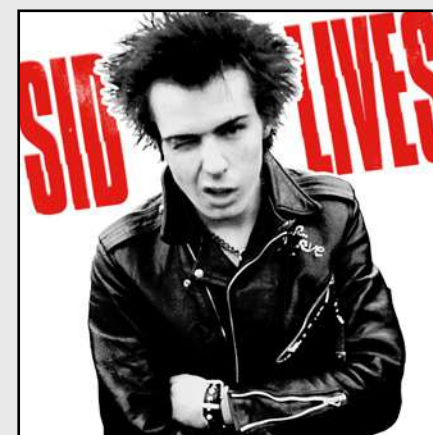

RE-ANIMATOR celebrates its 40th Anniversary with a new transfer, offered in 4k/Bluray combo and Bluray standalone packages that brings back the dead in striking clarity.

Rise Up with MVD in November. Cool runnings, mon!

Cattlemass - Alpha 1128 Vinyl

A cold brutalist vision emanating from the heart of the dusty Los Angeles basin. For fans of Monolord and Ufomammut

From the dust-choked depths of the Los Angeles basin emerges Cattlemass, a doom metal trio with a vision as stark and unrelenting as the concrete sprawl that birthed it. Rooted in the raw spirit of early '70s heavy music, Cattlemass' sound is thick with distortion and alienation that echo their sonic brutality. Alpha 1128 is not just a debut, it's a statement: analog doom for a digital apocalypse.

Felipe Salles blends jazz and chamber music to tell a story that will take you on a ride of different perspectives and images through his music.

Felipe Salles new recording takes us on a journey of perspectives. In his words, "Camera Obscura means 'dark chamber'. I use this as wordplay referring to my choice of classical chamber music instruments, as well as my approach to composition, which plays with imagery, color, light, and darkness." Salles is a musical storyteller and with Camera Obscura, he will entrance you with his imagery.

Glimmer - Get Weak Vinyl

Debut LP from NYC grunge, shoegaze, dreampop band Glimmer

Get Weak is the debut LP from Glimmer, a New York-based band that burst onto the scene two years ago with their unique mix of grunge, shoegaze, and dream-pop. Falling somewhere between the hazy shoegaze stylings of My Bloody Valentine and Smashing Pumpkins and the heavy-hitting punch of bands like Narrow Head and Superheaven, Glimmer's sound is simultaneously nostalgic and of-the-moment.

Jimi 'Prime Time' Smith - It's My Time Vinyl

Jimi's first solo album in nearly 15 years

Jimi "Primetime" Smith is likely the only person who can say that he was homeschooled on guitar by Jimmy Reed and Eddie Taylor. He is one of the few guitarists on the present scene who learned early on how to accompany blues pianists such as Sunnyland Slim and harmonica players such as Big Walter Horton. He is not one to blow his own horn, crafting his own career in a remarkably humble manner.

Bob Holz - Honoring Larry Coryell

Bob Holz presents this 10th anniversary, live concert of his band, A Vision Forward with special guest guitarist Larry Coryell. Comprised from two concerts performed in November of 2015, the album features fantastic performances from the Godfather of jazz fusion, Larry Coryell along with Bob Holz's incredible drumming.

Honoring Larry Coryell is a must have album for any serious jazz listener.

The album is comprised of seven previously unreleased tracks totaling close to eighty minutes of world class jazz. Holz is in his idiom on this recording, as his drumming shines thanks to the inspirational playing by the late great Larry Coryell.

The record opens with an unforgettable version of the blues classic Spoonful which leads into a mesmerizing rendition of the jazz classic Footprints. The heart felt performance of Holz's original Yes We Can, originally recorded on his first album A Vision Forward is a beautiful and relaxing tune that features Larry Coryell playing a blues style. Moving Eyes is another Holz original that explores jazz fusion in seven eight. Avalon Canyon and Shared Sunsets are both Holz originals that serve as a perfect canvas for Coryell's timeless playing. Bag's Groove is a jazz standard the features all the musicians and proves that Larry Coryell was one of the greatest jazz guitarists. This album is a collection of music treasures and is a must have for fans of Holz and Coryell.

PRESS

"Bob Holz is one of the top jazz fusion drummers and composers on the scene today."

—Matt Micucci, *Jazziz Magazine*

"Drummer Bob Holz has firmly established himself as one of the premier ?drummers and band leaders in jazz."

—Kevin Knox, *Smooth Jazz Magazine*

"...The mix of energy and lyricism is something that, once you hear it on this release, you realize that this is what's missing in most of today's music. These guys make it sound easy, but if it were, why isn't anyone else doing it?"

—George W. Harris, *Jazz Weekly*

KAUAN - Wayhome Vinyl

KAUAN's Wayhome is a 50-minute song in eight tracks; its visual concept uses fabric that starts pure white and becomes increasingly damaged.

KAUAN's Wayhome is a single, 50-minute song split into eight tracks, dedicated to literal and mental journeys. Its visual concept mirrors this journey through fabric, starting as pure white and becoming stained, burned, and torn by the end--transformed by everything it has endured.

Quadro Nuevo - Inside The Island Vinyl

The album is a musical travelogue, born on the Greek island of Samos. It breathes the soul of the Aegean and takes the listener on a poetic journey.

'Inside the Island' is an album that takes its time - for the sound, for the silence, for the reverberation of the melodies. It invites you not only to walk along the coast, but to venture inland, where life is simple and expansive, archaic and full of stories. Quadro Nuevo has thus succeeded in creating a work that breathes the soul of the Aegean and takes the listener on a poetic journey.

Santi Debriano & Arkestra Bembe - Ashanti [180-gram Double Black Vinyl] Vinyl

Afro-Caribbean bassist Santi Debriano fuses Yoruba ritual and jazz in his album Ashanti. A vibrant celebration of rhythm and community.

Panama-born, New York-based bassist-composer Santi Debriano draws on Afro-Caribbean roots and West African ritual in Ashanti, his eighth album as a leader. With Arkestra Bembe, he reimagines the Yoruba bembé--a celebration of music, food, dance, and community--into intimate, pandemic-inspired jam sessions. The result is a vibrant, ritual-infused musical journey.

Adiós Cometa - Un Destello De Luz CS

Costa Rican noisegaze explodes. 90s inspired shoegaze meets melancholic fury on their bold 3rd LP, Un Destello de Luz.

Costa Rican noisegaze pioneers Adiós Cometa erupt with their rawest, most visceral work yet: 'Un Destello de Luz'. Marking a bold new chapter, channeling the loudest 90s shoegaze with dusty Western grit. Led by the searing 'Candelaria', the album brings a sharper intensity and a deeper dive into fuzzed-out texture & melancholy.

Eddie Ludema - Modulus CD

This recording shares new music for trumpet+friends+electronics that dips into the real / imaginary gradient - pushing past codified norms and genres.

Modulus may conjure up thoughts of modulation, modular synthesis, and even modulo 12 in the set class realm. In math, the distance from the origin of the complex number plane (a space that represents both real and imaginary numbers) to another point is known as the modulus. This album spotlights Ludema's artistic restlessness and obsession with pushing past codified norms and genre divisions.

Nighthawks - Citizen Wayne CD

Cross-hatching smooth and acid jazz liberally, the duo of Reiner WInterschladen & Dal Martino make solid grooves and slinking tunes.

Nighthawks: cool grooves and atmospheric samples beneath the clear voice of a single trumpet, sometimes cuttingly articulated, sometimes longingly quiet. This was the secret of the exceptional success of Nighthawks producer and bassist Dal Martino and trumpeter Reiner Winterschladen, both established musicians in the jazz and pop scene.

Noah Franche-Nolan - Rose-Anna CD

Rose-Anna is Juno Nominated Noah Franche-Nolan's second Cellar Live trio album with Jodi Proznick on bass and Nicholas Bracewell on drums.

Rose-Anna is Juno Nominated, pianist, composer Noah Franche-Nolan's second Cellar Live trio album with Jodi Proznick on bass and Nicholas Bracewell on drums. The album's form is grounded in the recurrence of Noah's variations on his incredible composition Sublimation. Placed between these variations are songs that explore the spontaneous creativity of the trio's stellar improvisational ability.

STEVEN HALPERN
CHAKRA BALANCING (432 Hz)

SOUND THERAPY MUSIC SERIES

The #1 CHAKRA Album of All Time!

50th Anniversary Edition • Over 800,000 albums sold!
Remastered • Revised • Retuned to 432 Hz

The 1975 release of this recording launched 'A Quiet Revolution in healing music and sound therapy.' —KEYBOARD magazine

Steven Halpern's instantly recognizable, iconic Rhodes electric piano helped define ambient soundscape recordings (no traditional melody, no central beat) back then, as it still does today.

Often imitated, never equaled, new customers are always discovering its beauty and effectiveness for
Relaxation • Enhanced Focus • Meditation • Massage • Yoga!

The 7 chakras are resonated by 7 musical keynotes of the octave. The non-physical energy centers automatically come into alignment and balance.

Tuned to 432 Hz rather than standard concert pitch A=440 Hz to enhance its self-healing effects.

"An essential cornerstone of any New Age retail section."

— CDNow/Amazon.com

"The most influential New Age Healing album of all time."

— New Age Voice Magazine

STEVEN HALPERN is a Grammy® nominated, **Billboard** charting, multi-platinum selling recording artist, biofeedback researcher, author and pioneering sound

therapy music composer.

He is the author of *Tuning the Human Instrument* (1977) and *Sound Health* (1985).

Quadro Nuevo - Inside The Island CD

The album is a musical travelogue, born on the Greek island of Samos. It breathes the soul of the Aegean and takes the listener on a poetic journey.

'Inside the Island' is an album that takes its time - for the sound, for the silence, for the reverberation of the melodies. It invites you not only to walk along the coast, but to venture inland, where life is simple and expansive, archaic and full of stories. Quadro Nuevo has thus succeeded in creating a work that breathes the soul of the Aegean and takes the listener on a poetic journey.

Santi Debriano & Arkestra Bembe - Ashanti CD

Afro-Caribbean bassist Santi Debriano fuses Yoruba ritual and jazz in his album Ashanti. A vibrant celebration of rhythm and community.

Panama-born, New York-based bassist-composer Santi Debriano draws on Afro-Caribbean roots and West African ritual in Ashanti, his eighth album as a leader. With Arkestra Bembe, he reimagines the Yoruba bembé--a celebration of music, food, dance, and community--into intimate, pandemic-inspired jam sessions. The result is a vibrant, ritual-infused musical journey.

The Crimestoppers - On The Case CD

Transitioning from backing vocalists to a standalone group takes courage and chops, but the Crimestoppers make it sound easy on this debut album.

Transitioning from backing vocalists to a standalone group takes courage and chops, but the Crimestoppers make it sound easy on this debut album. Generations of eastern North Carolina gospel music brought them to this point. But On the Case shows they make themselves right at home on either side of the sacred-secular divide.

Theo Croker & Sullivan Fortner - Play CD

Forget the boxes. Forget the rules. Just play.

Two of the most compelling voices in modern jazz, Theo Croker and Sullivan Fortner come together for a fearless duo album that strips everything down to pure, in-the-moment expression. No pre-written compositions. No expectations. Just two master improvisers in total conversation, creating music that's alive, unfiltered, and utterly free. This is raw, boundary-breaking jazz at its most honest.

"ONE OF THE WILDEST LIVES IN PUNK ROCK HISTORY."

—Rolling Stone

"Tells Harley's story in all its bruised, blistered glory. But this isn't just a punk doc. It's a survival story, a redemption arc, and a hardcore history lesson that cuts through myth and dives straight into the man."

—Decibel

"This film floored me... it's a glorious portrait of the human spirit and of a person's ability to change for the better."

—Unseen Films

Deep Roots: The Art And Music Of Bill Steber And Friends

DEEP ROOTS is music filmmaker Robert Mugge's feature-length portrait of respected Southern artist, photographer, and musician Bill Steber.

DEEP ROOTS is a 2025 feature-length music doc directed by Robert Mugge, and produced by Mugge with his partner Diana Zelman. It is intended as a companion piece to Mugge's acclaimed 1991 film DEEP BLUES, which examined blues traditions of the Mississippi Delta and North Mississippi Hill Country. DEEP ROOTS explores the life and work of highly regarded Southern artist, photographer, and musician Bill Steber, while showcasing Black and white musical traditions of the 1920s and 1930s, rural music scenes of Mississippi and Tennessee, and connections between music and the visual arts. The film's first half takes place largely in Steber's home base of Murfreesboro, Tennessee, and its second half largely in the Mississippi Delta, which is a major focus of Steber's work. Included are interviews conducted at a Murfreesboro gallery exhibit of Steber's art and photography; visits to Clarksdale, Mississippi's Juke Joint Festival and Leland, Mississippi's Highway 61 Blues Museum; and public performances by three of Steber's primary music groups: Jake Leg Stompers, Stoop Down Rounders, and Hoodoo Men. Informative commentary is provided by music historian Scott Barretta, museum operator Billy Johnson, festival director Roger Stolle, and gallery curator Shannon Randol, as well as by Steber himself, whose witty musings enliven scenes throughout.

BONUS MATERIALS

- Jake Leg Stomper performances of 'At Last.'
- Jake Leg Stompers performance of 'Careless Love.'
- Jake Leg Stompers extended performance of 'St. James Infirmary Blues.'
- Stoop Down Rounders extended performance of 'Mary Don't You Weep.'
- A brief feature about a miniature version of Junior Kimbrough's juke joint.

SALES POINTS

- DEEP ROOTS is intended to be a companion piece to Mugge's acclaimed 1991 film DEEP BLUES, which chronicled and promoted blues traditions of the Mississippi Delta and North Mississippi Hill Country, making household names of formerly obscure musicians.
- Robert Mugge has done more to document American musical traditions—especially those of the Mid and Deep South—than any other filmmaker.

7 Sins DVD

In this searing horror anthology, the seven deadly sins are reimagined through the twisted visions of underground cinema's boldest voices.

In this searing horror anthology, the seven deadly sins are reimagined through the twisted visions of underground cinema's boldest voices. Each segment explores a sin not by doctrine, but through raw impulse, creating a portrait of desire, despair and decay. Dripping in gore, laced with nudity, and steeped in sorrow, 7 SINS is more than shock for shock's sake, it's a meditation on why we fall.

Basket Case (Standard Edition) 4K Ultra HD

The tenant in room 7 is very small, very twisted, and very mad.

Duane Bradley seems like a pretty ordinary guy. His formerly conjoined twin Belial, on the other hand, is a deformed creature who lives in a wicker basket. Arriving in the Big Apple and taking up a room at a seedy hotel, the pair set about hunting down and butchering the surgeons responsible for their separation.

Based on **Katsura Morimura's** 1966 best-selling travelogue, **Nobuhiko Obayashi's** paradise-laden coming-of-age tale is an island retreat to the white sands of New Caledonia. Fulfilling her late father's (YMO's **Yukihiko Takahashi**) dream to take her to "the island closest to heaven," bookish teen Mari (**Tomoyo Harada**) ventures solo to the archipelago's indigo waters in search of this mythic locale. Taking in the island's sites, Mari journeys off the beaten path, befriending a host of friendly locals in the process, from islander Taro (**Ryoichi Takayanagi**) to footloose tour guide Yuichi. One of **Obayashi's** breeziest features, filled with a sense of old school Hollywood romanticism, **THE ISLAND CLOSEST TO HEAVEN** forms an affecting portrait of a young girl's journey to self-discovery and her own piece of heaven deep within.

Rockers 2-Disc Collector's Edition [4K Ultra HD + Blu-ray]

Reggae drummer's bike is stolen, sparking a musical rebellion through Kingston in this vibrant tale of rhythm, resistance, and Rastafarian pride.

In the heart of Kingston's music scene, reggae drummer Horsemouth (Leroy Wallace) dreams of making it big by distributing records on his brand-new motorcycle. But when the bike is stolen, Horsemouth rallies a group of legendary musicians to track it down and take on the corrupt elite exploiting their community. Packed with raw energy, unforgettable performances, and a pulsating soundtrack, *Rockers* is a vibrant, rebellious ride through the streets, sound systems, and soul of 1970s Jamaica.

Young Blondes, Stalked And Murdered

A struggling actress becomes obsessed with a serial killer, convinced that being chosen as his next victim might be the only proof she ever mattered.

In the sprawling shadows of Hollywood, *Young Blondes, Stalked and Murdered* follows Stacy, a young aspiring actress fighting to be seen in an industry that demands perfection and rarely offers it back. Every week, she endures another series of auditions, another round of vague rejections. She's told her look isn't quite right, her hair isn't quite blonde enough, or worse--she's just forgettable. The roles she dreams of are elusive, and her grip on reality begins to fray.

When word spreads of a mysterious serial killer preying on young blonde actresses, luring them in under the guise of casting calls, a strange shift occurs in Stacy's psyche. She doesn't just fear she might be next--she begins to crave it. The killer becomes an abstract figure of validation, the only one in Hollywood who sees young women like her and chooses them. The horror of the situation folds into Stacy's own emotional unraveling, creating a surreal tension between dread and desire.

As the city around her continues its oblivious churn--self-tapes, callbacks, headshots, hashtags--Stacy descends into an obsessive spiral. The killer, ever unseen, becomes both her nightmare and her fantasy. To be stalked, she reasons, is to be noticed. To be murdered is, in some twisted way, to finally be remembered.

Told through haunting vignettes, surreal interludes, and subtle shifts in tone, *Young Blondes, Stalked and Murdered* is not a conventional slasher. Instead, the film turns its lens inward, exploring the emotional disintegration of a woman caught between ambition and annihilation. **Samantha Carroll** (*Fangirl*)'s performance as Stacy is hypnotic--fragile, determined, and quietly deranged.

In the end, the film asks a chilling question: What if being seen is more dangerous than being ignored?

PRESS

"A haunting, slow-burn thriller that turns the slasher formula inside out -- Young Blondes, Stalked and Murdered is less about the killer, and more about the terrifying hunger to be seen"

— *Screen Slate*

"Young Blondes, Stalked and Murdered, writer and director Nick Funness's debut feature following the divergent paths of two aspiring LA actresses, displays an admirably restricted strand of horror... an excellent, thought-provoking film"

—Jamie Hove, *Horror DNA*
