### Tempress - Catch The Endless Dawn Vinyl

Traditional heavy metal from die hard fans for the die hards. If you like old school epicness, this is for you.

Formed in 2018, Italy's TEMPRESS was founded by members of BUNKER 66, Children of Technology, Gargoyle, and Boia with the intent of giving free rein to their passion for the dreamiest and most melancholic heavy metal bands of the '80s - names such as Proud and Randy as well as the eternal Heavy Load and Gotham City, among others - without forgetting the darkness of such masters as Merciful Fate.

### The Besnard Lakes - The Besnard Lakes Are The Ghost Nation (Clear Vinyl) Vinyl

The Besnard Lakes return with their melodic yet mountainous sound world

On their new album The Besnard Lakes are the Ghost Nation, Montreal's The Besnard Lakes return with their same melodic yet mountainous sound world; the keening, lilting vocals of Jace Lasek and Olga Goreas foregrounded, but this time around, there is a lightness and optimism at play. Perhaps a somewhat disingenuous sense of hope, in a world where it is currently often in short supply.

### Heruvim - Mercator CD

Ukrainian warriors debut full length LP. For fans of early Death and Pestilence.

The title Mercator means "merchant" in Latin, and it speaks to the power structures that exploit people. The rulers of the world treat us like resources, dealers in lives and souls, driven only by profit and control. The music reflects this anger and horror; the existential terror of our reality & the oppressive machinery behind it. This album is about their pain, their losses and their rebirth.

### The Besnard Lakes - The Besnard Lakes Are The Ghost Nation CD

The Besnard Lakes return with their melodic yet mountainous sound world

Perhaps a somewhat disingenuous sense of hope, in a world where it is currently often in short supply.

**ONE MAN FROM THE DEPTHS OF A GRITTY PRISON CELL HAD THE GUTS AND COURAGE TO CHANGE HIS LIFE AND LIVE HIS DREAM.**

Lee Umstetter (Academy Award® nominee\* Nick Nolte, 48 Hrs., Warrior) is serving "life without possibility" at San Quentin - a life sentence, with no possibility of parole.
