RELEASE INFO

AS THE YEARS GO PASSING BY: LIVE IN GERMANY 1989 - 1995 - 2000

Jeff Healey

Jeff Healey's As The Years Go Passing By: Live In Germany 89-95-00 is a deluxe release offering a whopping three CDs and two DVDs that present three full concerts from the talented guitarist that span his career, featuring shows from 1989, 1995, and 2000. Aside from a very cool price (I've seen it for \$35 online), and the rare photos included with the set, it's the first posthumous Healey release to receive the family's seal of approval.

Roger Costa, who runs the website JeffHealey.com, writes "this is the first release of archive material that is fully endorsed and approved by the Jeff Healey Estate. It also boasts contributions from most of the musicians involved in these shows. The level of participation that we've enjoyed on this release has been fantastic and I have to say that we are absolutely thrilled with the fantastic job Inakustik is doing."
