Long John Silver['s Return To Treasure Island]/1954/Cheezy Flicks DVD)

Picture: D Sound: C- Extras: C-
Film: C+

Cheezy Flicks has issued their version of Byron Haskin's 1954 **Long John Silver** film, which I previously reviewed in a restored widescreen edition on VCI DVD at this link:

[http://www.fulvuedrive-in.com/review/4028/Long+John+Silver+\(aka+Long+John+S](http://www.fulvuedrive-in.com/review/4028/Long+John+Silver+(aka+Long+John+S)

This 1.33 X 1 image is a butchered version that is very soft, looks like a very bad TV print with the sides of the image cut off, resulting in tunnel vision and color is poor. The PCM 16/48 2.0 Mono is really low, rough and compressed, so be very careful of playback levels and volume switching. The combination is no match for the VCI edition. Neither are the extras, which only includes Trailers and Intermission shorts, while the VCI DVD has more. Now if only VCI would issue their version on Blu-ray.
