SuperVan (Cheezy Flicks) - Despite the unconditional love that grindhouse and exploitation aficionados alike have for really stupid '70s drive-in fare, some movies should simply be forgotten. And that's about all I am going to say about Cheezy Flicks' culled-from-a-worn-out-VHS-print release of an incredibly awful (and titty-less) PG-rated monstrosity called *SuperVan*, other than this: if there was ever a drive-in owner who was dumb enough to have a matinee showing, I hope they chose this film as their feature.
