### ZEBRA: 'The DVD' To Receive Wider North American Release In March - Feb. 7, 2008

MVD Visual has set a March 18 North American release date for ZEBRA's new DVD, simply called "The DVD". Recorded live in 2006 at House Of Blues in New Orleans and at The Downtown in Farmingdale, New York, the disc is full of interviews and tidbits spanning ZEBRA's entire career. All the hits are here, including "Who's Behind The Door", "Tell Me What You Want", and "Bears".

ZEBRA formed in New Orleans in the mid-'70s and soon won over fans with their ZEPPELIN-esque hard rock. Now for the first time, their undeniably strong stage presence and musicianship are brilliantly displayed on DVD!
