ZEBRA/The DVD (MVD Visual) Oh I have been a big fan of this band and this DVD was just what the doctor ordered. It was recorded down at The House Of Blues down in Louisiana. What a set list this is: As I Said Before, Wait Till The Summer's Gone, When You Get There, The La La Song, Bears, One More Chance, Take Your Fingers From My Hair, and more. The sound quality is great, and the crowd is into this as I would be if I was there ha ha. You also get an interview and other goodies as well. Easily one of the best DVD's I have viewed. Info:
