Neil Young - "Live on Air / The Lost Tapes Vol. 2" CD Review (XXL Media)

This second volume of *Live on Air / The Lost Tapes* captures an electric performance by Neil Young and Crazy Horse at Rock in Rio III. The show took place on January 20, 2001 and was simulcast in digital stereo so the sound on this disc is near perfect.

This 65 minute / six track disc captures the second half of Neil's 11 song performance and, as this was Neil's first performance in Brazil, the crowd responds enthusiastically as Neil plays extended versions of some of his better known songs. Below is the track list for the CD along with some videos from the show. One of the highlights of the disc is the false ending on "Like A Hurricane" and the feedback drenched, broken guitar string, bloody wrist jam that Neil goes into during the last few minutes of the song.

Live on Air / The Lost Tapes Vol. 2 Track List

- "Cortez the Killer" (12:23)
- "Like A Hurricane" (14:43)
- "Rockin' In The Free World" (9:58)
- "Powderfinger" (7:20)
- "Down By The River" (12:29)
- "Welfare Mothers" (8:14)

Neil Young-Crazy Horse- Like a Hurricane "Live"...

This is a solid release with my only complaint being that this disc, like all of the *Live on Air* discs I've heard thus far, was recorded track-at-once. This isn't a big deal though as a spare 5 minutes and a wave editor will quickly solve this problem. All that is really needed is for the first half of this show to come out on Vol. 3.
