(antiMusic) MVD have announced the release of The Story Of Yardbirds [DVD](#) which will hit stores on November 11th. Here is how they describe the release:

Great documentary covering 1963 until 1968 with tons of original tunes, archive concert footage, interviews with bandmates and associates and behind the scenes look at this influential but short lived Supergroup.

Some Eric Clapton footage, lots from Jeff Beck and Jimmy Page. Two live songs with Eric Clapton and The Yardbirds are 'Louise' and 'I Wish You Would' from 1964. Bonus Footage: The Yardbirds with a very young Jimmy Page on [guitar](#) from German [TV](#) in association with APN/Frankfurt - recorded and filmed live on 31.03.1967. Bonus Materials: The Yardbirds with Jimmy Page live in Germany 1964. - [more on this story](#)
