Yardbirds "The Story of" DVD Due in November

Publish Date: October 17, 2008 - 12:58am

A new documentary following the influential British rock group The Yardbirds called "The Story Of" is set for a November 11th release date via the [MVD Entertainment Group](#). The Yardbirds were an integral part of the evolution from blues and R&B into rock and roll, and catapulted Jeff Beck, Jimmy Page and Eric Clapton to fame.

While the Clapton footage in this new film is minimal, it does feature a great deal of both Page and Beck, including bonus footage of a German concert the band performed in 1964.
