

IGGY **NEW ON DVD** POP!

Live San Fran 1981

Over the 30 years of Iggy Pop's career one thing has always remained constant, his absolute devotion and dedication to the live show and Pop is as unpredictable and dominant as ever.

This exciting DVD provides a snapshot of a hungry artist at the top of his game in front of an adoring crowd, including the tracks Some Weird Sin, Houston Is Hot Tonight, Rock & Roll Party, Eggs on Plate, Pumpin for Jill and many more
