

GG Allin and Tesco Vee "Throbbleheads"

Yes, I agree that bobble heads are pretty lame for the most part. But, come on we are talking about GG Allin and Tesco Vee here. So consider them overtly offensive punk rock anti-bobble heads or what they are officially called "throbbleheads". Super limited edition there is only 2000 numbered of the GG "1991" figures and 1000 Tesco Vee's. Each "Throbblehead" figure stands about 7 inches tall, is made of a lightweight polyresin, and will be displayed in a tri-windowed box. You can find

these figures this summer online at www.aggronautix.com as well as at many independent retailers, comic shops, tattoo parlors, etc. Get them while you can they are extremely limited.
