NEW CD/LP OUT NOW

CD/LP ~ Powerful new 14 track studio album from Canada's best punk band. A real return to the band's roots. Standout tracks include: Atheist, I Live In A Car, Captain Kirk, Spock, Scotty and Bones and Lookin' For A World. Also includes great covers of The Times They Are A-Changin' and That's Amore. Blistering delivery from the band that some are calling the "Cream" of punk.
