Mother's Day is almost upon us and what better gift to bestow upon the one who gave us life than the very first female Throbblehead? Wendy O. Williams is the sixth punk icon to be immortalized in lightweight polyresin by [Aggronautix](#). The first, uncorked in May of 2009, happened to be the highly popular [GG Allin](#), which launched with a limited run of 2000 units and has since sold out. Can't you just picture Wendy stationed in the center of mom's collection of porcelain Precious Moment figurines?
