KEITH MORRIS Throbbleshed Figure Announced - Oct. 22, 2010

Keith Morris, legendary frontman of **BLACK FLAG**, **THE CIRCLE JERKS** and now **OFF!**, has been throbbleshed! This figure capturing **Keith** in full-on live mode is limited to 1000 numbered units, stands at seven inches tall, and is made of super-strong polyresin.

While the figure is labeled a Throbbleshed, it's actually **Keith's** arm that does all the movement, aggressively pointing towards his mind.

Displayed in a window box, **Keith** is accurately sculpted right down to the dreads, **Vans**, and "fuck you" stare.

Check out the commercial featuring **Keith's** voicemail below.

Since the beginning of 2010, **Keith** has been performing and touring with **OFF!**, which he founded with **Dimitri Coats** from **BURNING BRIDES**, **Steven Shane McDonald** from **REDD KROSS**, and **Mario Rubalcaba** from **EARTHLESS**, **ROCKET FROM THE CRYPT**, and **HOT SNAKES**. Their debut EP is set for release on November 23 and the band will perform at **CMJ** this weekend and at **Fun Fun Fun Fest** next month.

All throbbleshed figures are distributed by **MVD Entertainment Group** — a company specializing in music-related distribution since 1986 — and **DKE Toys** — a wholesale distributor of urban / vinyl / designer art / objects / toys / figurines.

Keith Morris is the eighth punk personality to be polyresinated by **Aggronautix**. In May of 2009, the company launched with a highly popular **G.G. Allin** "1991" figure, which was limited to 2000 numbered units.

All **Aggronautix** figures are now available for purchase on www.aggronautix.com or www.seeofsound.com and will also be available at many independent retailers, comic shops and tattoo parlors.

Saw them at SXSW this year they kicked fucking ass - its pretty dumb they don't mention Marios first band Ickitat Clickatowi or that Steve McDonald is the biggest name in that band - he dated Sofia Coppola for fucks sake not to mention REDD KROSS was one of the most underrated bands of all time - Morris was in Black Flag for like a minute - just say Circle Jerks - anyways glad to see them still chuggin - Keith Morris also made a cameo in the Vivid Alt "film" Circa 84" or some shit like that - cheers

I was lucky enough to see the Circle Jerks in the mid 90s when they reunited. Keith is one hell of a frontman, and a nice guy as well.

Some new Circle Jerks material, pleeeeeeeeease?

Be sure to buy the upcoming Tommy Lee throbblehead with it's 'throbbing' rock hard, super-strong polyresin dick.
