Andrew W.K. gets his own bobblehead

Andrew W.K. is has done plenty of odd things. Now he is being honored by being depicted as a bobblehead doll. In addition, the late G.G. Allin has been downsized in doll form. Here's the release:

Andrew W.K. and G.G. Allin "Condensed Carnage" Aggronautix Throbblehead Figures Announced

Two dudes, two initials each, different eras, way different people... Both party hard personas.

Aggronautix is releasing two new Throbbleheads, **Andrew W.K.** (limited to 1000) and **G.G. Allin "Condensed Carnage" Edition** (unlimited).

Andrew W.K., the king of party music, needed some sweet merch for the Warped Tour, so **Aggronautix** created a sweet ass Throbblehead for him. This figure (\$19.95 SRP) captures Andrew raging on stage and is limited to 1000 numbered units, stands at 7 inches tall, and is made of super strong polyresin. Displayed in a windowed box, he's accurately sculpted right down to the bloody face, arm tats, watch, and dirty whites.

The figure (\$14.95 SRP) stands at 5 inches tall and is made of a lightweight polyresin. Displayed in a windowed box, here GG is accurately sculpted right down to the tattoos, blood, and filth. Mount him on your dash or on your hood, carry him in your your pocket, take him everywhere!

Both throbblehead figures will be distributed by **MVD Entertainment Group** - a company specializing in music-related distribution since 1986 - and **DKE Toys** - a wholesale distributor of urban / vinyl / designer art / objects / toys / figurines.

Andrew W.K. is the seventh punk personality to be polyresinated by Aggronautix. In May of 2009, the company launched with a highly popular **G.G. Allin "1991"** figure, which was limited to 2000 numbered units.

All **Aggronautix** figures are now available for purchase on www.aggronautix.com or www.seeofsound.com and will also be available at many independent retailers, comic shops, tattoo parlors, and Walmart (just kidding).
