## Handsome Dick Manitoba has been polyresinated

*From the EV Grieve inbox...*

Handsome Dick Manitoba ... leader of The Dictators and owner of Manitoba's on Avenue B ... has been promoted to throbbhead status...

BY THE WAY

Here, you'll find things that you may or may not be interested in about the East Village and other parts of New York City. Appreciating what's here while it's still here. Remembering what's no longer here. Wishing some things weren't here that are here.

NAMED BEST NEIGHBORHOOD BLOG IN THE FIRST ANNUAL VILLAGE VOICE WEB AWARDS

Per the news release: "This figure capturing Richard's signature modern day look is limited to 1,000 numbered units, stands at 7 inches tall, and is made of super strong polyresin. Manitoba is the 12th person to be polyresinated by Aggronautix. In May of 2009, the company launched with a highly popular G.G. Allin '1991' figure, which was limited to 2,000 numbered units. Pre-orders open now, shipping February 2012. Link is [here](#)."

Congrats HDM!

This guy is so great. He's just about the coolest, meanest lookin (but nicest), most rockin', sweetest wife havin', Bronx burnin' mofo I know.

This is just fantastic news.

They got the 5 o'clock shading on his face just right, and the silver Star of David and NY Yankees chain look really great, too.

#### WE LOVE TIPS

Have a story idea or tip about something happening in the East Village? Or maybe a photo? Or several photos? Or video! We'd love to hear about it. Or see it. Or something. Please go [here](#) to submit a tip.

Great news! A friend of mine was coming to NYC last summer and her husband is a big Handsome Dick fan and wanted to go to Manitoba's after dinner. When we got there, there's HDM sitting outside chatting with a couple of people. We went up and said hello and he couldn't have been nicer or more charming. Entertained us with tales from the past, posed for photos and it was a real highlight of their trip. Very cool guy and a great bar.
