[Dinosaur Jr.](#) frontman [J Mascis](#) is now officially immortal. [Thanks to Aggronautix](#), "Proprietors of Fine

Throbbleheads," you can now purchase [your very own J Mascis bobblehead doll](#)-- the perfect addition to any indie rock aficionado's tchotchke shelf.

Limited to a run of 1000, the doll is seven inches tall and features Mascis' signature clear-framed specs and long silver locks (made with "REAL DOLL HAIR"). Aggronautix have also made "Throbbleheads" for the likes of [G.G. Allin](#), [Andrew W.K.](#), and [Dee Dee](#) and [Johnny Ramone](#), among many others.
