[Fucked Up](#)'s glass-smashing frontman Damian "Pink Eyes" Abraham will soon join the likes of [J Mascis](#), [Lee "Scratch" Perry](#), [Mark Lanegan](#), and many other influential musicians... whose likenesses have been [transposed onto bobble-head dolls](#). They'll be available in late November through [Aggronautix](#) in a limited-edition quantity of 500.

On the Aggronautix website, Abraham said, "To know that I will now be able to stand myself shoulder to shoulder (on a toy shelf) with my heroes like Jeff Clayton, Keith Morris and J Mascis has made all the nights away from my family and stitches in my head worth it."

The Damian Abraham "Throbblehead" is being made [in partnership with Fun Fun Fun Fest](#). They're also releasing a David Cross one at the same time.

Happy Holidays, Nana, I got you this beautiful seven-inch piece of jiggling plastic in the shape of a bloody shirtless man.
