GG Allin 1989 Throbbleshed and Latex Masks

(<http://newnoisemagazine.com/gg-allin-1989-throbbleshed-and-latex-masks/gg-allin-throbbleshed/>)

In honor of the 20th anniversary of the death of GG Allin, and in conjunction with the release of "My Prison Walls" (a 208 page hardcover numbered limited edition collector's book that contains letters, illustrations, prose, and Allin's own personal accounts of his time spent in prison) Aggronautix has once again immortalized the most notorious Rock N Roller of all time in Throbbleshed form.

This figure of GG portraying his 1989 look is limited to 2000 numbered units, stands at 7 inches tall, and is made of polyresin. GG is accurately sculpted right down to his signature bandana, sunglasses, torn clothes, and tattered leather jacket.

This is the 21st Throbbleshed to be polyresinated by Aggronautix. In May of 2009, the company launched with a highly popular G.G. Allin "1991" figure, which was limited to 2000 numbered units and sold out quickly.

All Aggronautix figures are now available for purchase
