In honor of the 20th anniversary of the death of **GG ALLIN**, and in conjunction with the release of 'My Prison Walls' (a 208 page hardcover numbered limited edition collector's book that contains letters, illustrations, prose, and Allin's own personal accounts of his time spent in prison) Aggronautix has once again immortalized the most notorious Rock N Roller of all time in Throbblehead form.

This figure of GG portraying his 1989 look is limited to 2000 numbered units, stands at 7 inches tall, and is made of polyresin. GG is accurately sculpted right down to his signature bandana, sunglasses, torn clothes, and tattered leather jacket.

This is the 21st Throbblehead to be polyresinated by Aggronautix. In May of 2009, the company launched with a highly popular G.G. Allin "1991" figure, which was limited to 2000 numbered units and sold out quickly.

All Aggronautix figures are now available for purchase on www.aggronautix.com or www.seeofsound.com and will also be available at many independent retailers, comic shops, tattoo parlors, etc via distribution by MVD Entertainment Group - a company specializing in music-related distribution since 1986

SikRik Masks has produced an '80s era GG Allin mask featuring his trademark sunglasses. It's officially licensed (like the throbblehead) and is limited to just 40 numbered copies. The cost is \$119.00 USD.

A 'My Prison Walls' Combo Pack which includes the new book, the new throbblehead, and SikRik's new mask, can be ordered [HERE](#)
