# Headlining Warped Tour 2010 + Throbblehead: Is Andrew W.K. Having The Best Summer Ever?

If headlining Warped Tour 2010, partymeister **Andrew W.K.** has announced that he will bring a 20' x 40' circus tent to each date on the tour. The tent will serve as "a place for pure celebration and fun. Beneath the tent, fans will be able to MEET and PARTY with Andrew in a cool and comfortable air-conditioned room, and browse never before seen A.W.K. PARTY SUPPLIES, including new limited edition T-shirts and exclusive party merchandise. Fans will also have the chance to enter a raffle to win an ESP guitar on every Warped Tour date! Each day, winners will be chosen in a random drawing conducted by Andrew himself."

In addition to his summer touring shenanigans, Mr. W.K. — and the late, shit-tossing punk-rocker **GG Allin** — is the subject of the latest Throbblehead.

Andrew W.K., the king of party music, needed some sweet merch for the Warped Tour, so Aggronautix created a sweet ass Throbblehead for him. This figure (\$19.95 SRP) captures Andrew raging on stage and is limited to 1000 numbered units, stands at 7 inches tall, and is made of super strong polyresin. Displayed in a windowed box, he's accurately sculpted right down to the bloody face, arm tats, watch, and dirty whites.

Fans of Andrew's interested in owning this collector's item should act fast as only 1,000 were made. As for G.G. Allin's 'head, a press release says the supply is "unlimited."
