Malevolent Creation – Death From Down Under

Malevolent Creation – Death From Down Under DVD (Arctic/MVD Visual)

The reigning kings of Florida death metal have captured their live brutality for posterity on this exceptionally well done DVD. The main attraction is a full set from March 2009 in Sydney, Australia – a pro-shot, multi-camera film with excellent sound and a 13-song setlist that includes 'The Fine Art Of Murder', 'The Will To Kill', 'Coronation Of Our Domain', and the band's personal anthem, 'Malevolent Creation', among others. The band's history is accounted for quite well, but this is no nostalgia trip. Malevolent Creation remains a force to be reckoned with, and they absolutely destroy from start to finish. The special features include a mash-up of 'on the road' footage, band interviews, fan-shot footage of the Aussie tour, and a gallery of still photos. **The Impaler**
