

### **THE BLACK HALOS (WE ARE NOT ALONE) CD**

FUCK YEAH BITCHES! The new BLACK HALOS record "We Are Not Alone" is out and it kick rock n roll ass. Well the new BLACK HALOS record is just full of rock n roll / punk chaos with a lot of snotty and sleazy rock n roll going on. But THE BLACK HALOS will give you some back n black rock n roll with a punk fury that has such needles as... THE DOLLS, STOOGES, DEAD BOYS, HANOI ROCKS with a punk, glam, and rock n roll sound that just delivers 12 great songs the way rock should sound.

Well on the 12 new songs you can feel this band power that seems a bit more powerful, with the same guitar sickness from this great band. (EX/GREAT)  
RNR/PUNK ACETATE RECORDS (BW)

### **THE THROW RAG (2<sup>ND</sup> PLACE) CD**

Well my brothers of rock n roll are back with a new record that feature some favorites songs that the been playing live the lasts few years. Well THE THROW RAGS are one of the best's live bands out there on the road today. But these CA psychos of punk rock will give you some rock n roll the have a bump and grim sound that includes everything from garage, rockabilly, punk, rock, and psychobilly. And a sound that includes hints of THE CRAMPS, GUN CLUB, US BOMBS, IGGY POP, and REV HORTON HEAT all rolled in one.

But THE THROW RAGS will keep the rock n roll train rollin all night long with favorite's like... si dios quire, bag of glue, devil gone good, hang up, fast to go, Hollywood, demons in a row, stink bug and more great songs sure to keep the rock n roll party going all night. (EX/GREAT+) PUNK / ROCKNROLL/  
ROCKABILLY ACETATE (BW)
